Labs live longer and they're much less likely to be given up or removed from the family. The number one reason dog owners have to give up their friends is because of behavioral issues. A bad behaved dog can be the source of a lot of stress and heartache. Even dogs that aren't necessarily badly behaved can cause problems in both their owners and their own lives. The benefits of training go far beyond having a well trained Lab. Labs that are trained have a much stronger bond with their owners than non trained ones do. It also means the time you spend together will be more fulfilling for both of you. Grab your copy today and discover the unique aspects of Labrador Retrievers that have turned it into America's favorite dog breed. An overview of just why training your Labrador is one of the very best things you can do for it. An easy yet effective way of teaching your Labrador all of the basic commands. A great way to make and keep your dog socialized ensuring that they'll be comfortable and that you'll be in control in any kind of situation. A complete how to guide on how to potty train your Lab in a remarkably short amount of time with as few accidents as possible. The ethical guide to obtaining your lab from the right places. A flexible time schedule of when you should train your Lab. Whether your lab is a puppy a few years old or a decade old this guide will tell you the best steps you can take to train them effectively with as little stress as possible. And much more. The advice in this book is well known and trusted by professional dog trainers and now it's available to you. Even you just have a few things you'd like to train your Labrador to do this book will give you the best ways to do it. Don't look any further for a training guide.
