## **Sinners In The Hands Of A Good God Reconciling Divine Judgment And Mercy:**

**Sinners in the Hands of a Good God** David Clotfelter, 2004-10-01 Are heaven and hell real How does God's election correspond to our freedom Why did Jesus have to die Why doesn't God save everybody These are questions most believers and seekers have asked and they are biblically answered by author David Clotfelter Contrasting the theologies of Jonathan Edwards with George MacDonald the author reconciles the difficult doctrines of divine judgement and predestination Sure to be thought and discussion provoking message *God of Love and God of Judgement* Stephen K. Moroney, 2009-07-06 How can a God of love also be a God of judgment If God loves everyone what is the point of judgment Does God change from being wrathful in the Old Testament to loving in the New Testament Can we discern God's judgments in current events such as hurricanes and personal tragedies Is it ever right for humans to judge These are not just daunting issues for theologians to ponder They are urgent questions for everyone Our answers profoundly affect how we relate to God and how we live with one another Coming to grips with these issues is vital for our spiritual journeys Many people today emphasize God's love and downplay his judgment The problem with this approach is that God's judgment is taught in Scripture from the beginning of Genesis to the end of Revelation and it is a core part of the gospel preached by Jesus and his apostles There are problems at the other end of the spectrum too when we believe in a God of judgment who is not also a God of love It is impossible for us to find spiritual peace when we live in constant dread of God pictured as a harsh judge whom we can never please This book calls us to embrace a more full biblical image of God one that joins his love and judgment together Additionally the book shows that as those who are made in God's image we can fuse love and judgment together constructively in our own daily lives To a world of smiley faced bumper stickers assuring us that God is love Stephen Moroney bravely asks What do we do with the judgment justice and wrath of God all occurring in rather impressive numbers throughout scripture His well crafted and engaging answer is that we do a disservice to God as well as to ourselves when we try to have one either a God of love or a God of judgment without the other Doctrine of the Eons Paige-Patric J. D. Samuels, 2019-06-13 The Doctrine of the Eons God's Immutable Plan is an account of how God will bring about the salvation and reconciliation of all mankind Each chapter provides a theological account of how this will be accomplished including dispelling common myths about God and focusing on the meaning of the word immutable This leads to a discussion of the Hebrew and Greek definitions of eon and eternal and we discover that neither the Old nor the New Testament uses the word eternal Eternal tends to refer to an indefinite amount of time whereas eon is more definite the latter term is primarily used when the Bible talks about the end times Finally the doctrine of universal salvation is presented arguing that God will have all men be saved and that he will eventually reconcile all creation *Slipping Through the Cracks* Zachary Breitenbach, 2021-04-02 Would a good God allow some people to be lost to hell due to the bad luck of their circumstances such as never hearing the Christian gospel Do some who are lost slip through the cracks i.e. they would have freely chosen to be saved if only God had placed them into different circumstances

After surveying and responding to other significant objections within the so called soteriological problem of evil this groundbreaking new work identifies the above as the most difficult soteriological challenge for Christian theism and explores it in great depth Finding William Lane Craig s famous solution to this problem insightful but ultimately inadequate the book proposes an alternative solution that upholds Christian exclusivism the view that one must hear and respond to the gospel to be saved and is both biblically consistent and philosophically plausible It offers an intriguing possibility for how God might ensure that all people have an opportunity to be saved and that none who are lost slip through the cracks in a way that is inconsistent with God s goodness Additionally the book reveals how its response to this soteriological problem has much value for addressing key aspects of the broader problem of evil **The Wonder of the Cross** Richard A. Shenk, 2013-05-08

When considering and confronting the problem of evil we may be asking the wrong question Why is there evil in the world if God is good and powerful It may be wrong because it smuggles in an unbiblical premise God can and should use his coercive power to relieve suffering since he is both good and able But what if coercive power does not work to accomplish God s goals This book is an investigation into the possibility that the noncoercive power of the Cross must be at the center of this issue and that the Cross could reform this question We could ask instead How is God destroying evil and suffering and why is he taking so long The answer to this reframed question might be He is using evil and suffering to destroy evil and suffering for His People this is how long it takes While not a solution to the problem of evil could this help us learn to delight in God in a world in which evil and suffering seem at times so relentless *Developing a Biblical Worldview* C. Fred Smith, 2015

Developing a Biblical Worldview equips readers to think biblically about the world by helping readers analyze worldviews

**Because the Time is Near** John MacArthur, 2007-03-01 Not only is Revelation the inspired Word of God it is also the only New Testament book that includes a promised spiritual blessing for those who heed its message If you read and obey the words of Revelation God promises that you will be blessed [Reprobation: from Augustine to the Synod of Dort](#) Peter Sammons, 2020-01-20 Over the centuries the Protestant church has been severed into two major positions in regard to predestination and reprobation On one side the Arminians largely reject these doctrines while the reformed readily embrace them as biblical truth Although much has been written either rejecting or defending the doctrine of reprobation little attention has been given to the historical development of the reformed position on the nature of reprobation and God s use of secondary causality in the hardening of the wicked By means of historical analysis Peter Sammons traces the development of the doctrine of reprobation from Augustine to the Synod of Dort In this book Sammons gives special attention to views on reprobation and its various parts preterition and predamnation along with how historically theologians have attempted to articulate its execution Perhaps one of the greatest paradoxes in all of Scripture theology and philosophy is here addressed How does an omnibenevolent and omnipotent God predetermine and interact with sin in the world Answering the question proves vital not merely to reconcile theological and philosophical concerns but to answer the all important question of life

Who is God This volume is intended to provide a balanced analysis of the historical and intellectual development within reformed theology as to how God is simultaneously holy and sovereign by examining how reprobation and its parts have historically been defined Reformed understanding on this doctrine was not done in a vacuum nor was it concluded in the 180 meetings of the Synod of Dort rather it has a history within the church of thoughtful development Life's Biggest Questions Erik Thoennes,2011-06-23 If we were to compile the biggest questions pertaining to life we would face some daunting submissions Does God exist What is God like How will it all end In this accessible book Erik Thoennes a preaching pastor and theology professor asks and answers 15 of the most important questions we can ask about God the Bible Jesus and the church Readers will find his answers clear helpful and above all biblical Life s Biggest Questions is a great resource for new Christians and for those looking for concise ways to answer difficult questions Each chapter concludes with a Scripture verse for meditation and memorization questions for application and discussion and suggestions for further study

**Biblical and Theological Studies** Michael J. Wilkins,Erik Thoennes,2018-05-16 There is an abundant need today for biblically grounded and practically applied theology In this book a New Testament scholar and a theologian team up to offer readers a robust introduction to biblical and theological studies This readable guide outlines a distinctly evangelical approach to studying the Bible and theology highlighting the proper methods for understanding and synthesizing the teachings of the Bible leading to deeper knowledge of God ourselves and how we are to meaningfully apply his Word to our lives Part of the Reclaiming the Christian Intellectual Tradition series **Ricerca in vetrina. Originalità e impatto della ricerca scientifica di dottorandi e dottori di ricerca** AA. VV.,2015-08-27T00:00:00+02:00 2000 1404 **An Exposition of the Prophecy of Hosea** Jeremiah Burroughs,1863 Freedom for Obedience Donald G. Bloesch,2002-04-15 The Christian ethic is an ethic that cannot be assimilated into the moral consensus of the wider community The way of the cross cannot be reconciled with the way of the world just as the gospel cannot be conjoined with the laws that gave stability to social order The thesis of this book is that human justice can never be a substitute for divine justification but it can be a sign and witness to the justifying grace of God in Jesus Christ Humanitarian works can never reach the heights of deeds of sacrificial love and mercy but they can point to this higher righteousness and awaken a thirst for it We must always be on guard against two perils the Scylla of legalism and rigorism and Charybdis of antinomianism An ethics of the divine commandment by uniting law and grace the imperative and the indicative shows how we can live the authentic Christian life in obedience to the highest which is not a law but a person not an ideal but the reality of the New Being the power of crucified love as we see this in Jesus Christ from Freedom for Obedience **The Works of the Late Reverend and Learned William Bates, D.D.** William Bates,1700 **Psalms of the Pharisees, Commonly Called the Psalms of Solomon** Herbert E. Ryle,Montague Rhodes James,2006-04-11 The text of this edition is based on collations of three MSS unknown to previous editors together with a fresh collation of the two remaining authorities Passages in which the LXX

version appears to have suggested words or phrases are printed in uncial type The translation aims at being literal The notes are intended to be useful to students of a not very advanced type We venture to hope that the Indices will be found serviceable The somewhat full Table of Contents is intended to obviate the necessity of an Index Rerum from the Preface

**Sinners in the Presence of a Loving God** R. Zachary Manis, 2019-06-03 Why would a perfectly good and loving God consign anyone to eternal suffering in hell In *Sinners in the Presence of a Loving God* R Zachary Manis examines in detail the various facets of the problem of hell considers the reasons why the usual responses to the problem are unsatisfying and suggests how an adequate solution to the problem can be constructed Historically there are four standard explanations of the nature and purpose of hell traditionalism annihilationism the choice model and universalism In Manis's assessment all are deficient in some crucial respect The alternative view that he develops and defends the divine presence model stands within the tradition that understands hell to be a state of eternal conscious suffering but Manis contends avoids the worst problems of its competitors The key idea is that the suffering of hell is not the result of a divine act that aims to inflict it but rather is the way in which a sinful creature necessarily experiences the unmitigated presence of a holy God Heaven and hell are not two places to which the saved and damned are consigned respectively but rather are two radically different ways in which different persons will experience the same reality of God's omnipresence once the barrier of divine hiddenness is finally removed
