Sitting Still:

Traveling Sitting Still Robert Judge Woerheide, 2007-05 Robert's powers of observation the way he focuses on apparently minor details that most of us overlook make this collection of short stories a constant source of delight and surprise These stories elevate everyday experiences to the level of high literary art They do likewise with more profound human tragedies that cast an uncompromising light on the terrible things human beings knowingly and unknowingly do to one another Dennis M Clausen author of *Prairie Son* Rich with insight into the human condition *Traveling Sitting Still* short stories is a moving collection of short stories from author Robert Judge Woerheide In an age of increasing anonymity these hard edged uncompromising stories remind us that we are part of a greater whole Whether it's an injured American GI forced to dig his own grave during World War II a lonely germ phobic stuck on a freeway entrance ramp in Los Angeles or a man headed for divorce who finds solace in a Chiquita banana sticker Woerheide explores the darker aspects of humanity and our ability to exist within them

Teaching Children to Listen Liz Spooner, Jacqui Woodcock, 2010-01-21 Increasing numbers of children find it a challenge to stay focused on a task and follow even simple instructions in the classroom *Teaching Children to Listen* outlines a whole school approach to improving listening skills It begins by looking at why listening skills are important and how to overcome barriers to achieving them before pinpointing the behaviours that children need to learn in order to be a good listener The book includes The Listening Skills Rating Scale a quick assessment which will enable you to rate children on each of the four rules of good listening Advice on using these findings to inform individual education plans that focus on a specific area of difficulty 40 activities including games to target whole class listening and exercises particularly suitable for the Early Years Each activity sets out what equipment you need tips for facilitating and ideas for differentiation Perfect for children aged 3-11 all the games and ideas have been tried and tested and have proved successful with children with a range of abilities including those with special needs

Burkhardt, 2023-03-22 In order to form a partnership with your horse you need to dedicate yourself to learning about the horse In this text I hope to add to your knowledge of the horse's physical and mental capabilities and his natural responses and physical boundaries What I intend to do is clear up some of the myths and misconceptions that persist in the world of horsemanship Oh sure people have been riding horses for thousands of years but there are concepts that have sometimes slipped through the cracks of equestrian literature A basic premise is The more you know the less frustration you will have Whether you are a weekend rider and want a horse that can take you safely down the trail or you're a highly competitive show or event rider or somewhere in between I want to help you have a better relationship with your horse

One-Moment Meditation Martin Psy.D. Boroson, 2012-07-10 Think of all the moments you lose stuck in traffic standing in line waiting for a download And think of all the moments you waste working when you're not focused or fiddling with your phone What if each of these moments offered you an extraordinary opportunity In One Moment Meditation now published in eight languages Martin Boroson distills the philosophy of time into a simple form of meditation that you can do anywhere anytime It begins with an exercise that takes just one minute per day With practice this takes less and less time until it only takes a moment Then each and every moment gives you a chance to reduce stress refresh your mind and open yourself to

new possibilities This unique approach to meditation was featured as a thirty day series for stress reduction on Oprah com Playful profound and above all practical One Moment Meditation teaches you that inner peace is not a distant goal reserved for saints and sages and it doesn t take a lot of time it only takes a moment It s hard to overestimate how helpful this technique could be Psychologies magazine This gem of a book is a marvelous launching pad for anyone who wants to rest in the now the only time there is Larry Dossey M D author of Reinventing Medicine Martin Boroson s fantastic book is all about learning to condense the practice of meditation into these fleeting moments And about how from a certain perspective a sequence of fleeting moments are all we ever really have anyway Oliver Burkeman The Guardian **Thornton Burgess**
