Situating Selves:

Situating Selves Donal Carbaugh, 1996-02-15 Provides a communication theory of identity Shows how listening to communication in cultural scenes can help reveal how deeply identity is situated in various communicative practices **The Routledge Handbook of Cultural Discourse Studies** Shi-xu, 2024-03-29 In response to the cultural challenges in society and scholarship this handbook presents the conceptions assumptions principles methods topics and issues in the studies of cultural forms of human communication cultural discourses by experts from around the world A culturalist programme in communication studies CS cultural discourse studies CDS as represented in this handbook is a new current of thought in human and social science and a form of academic activism but above all it is a fresh paradigm of research committed to enhancing cultural harmony and prosperity on the one hand and facilitating intellectual plurality and innovation on the other hand This handbook is the first of its kind it is concerned with the identities of and interactions between the world's diverse cultural communities through locally grounded and globally minded culturally conscious and critical approaches to their communicative practice Contributors apply such insights precepts and techniques not merely to discover and describe past and present communication but also to design and guide future communication This handbook is ideal for scholars and students interested in cultural aspects and issues of communication discourse as well as researchers of other fields looking to apply cultural discourse methods to their own projects **Identity and the Natural Environment** Susan

Clayton, 2003-11-07 The often impassioned nature of environmental conflicts can be attributed to the fact that they are bound up with our sense of personal and social identity Environmental identity how we orient ourselves to the natural world leads us to personalize abstract global issues and take action or not according to our sense of who we are We may know about the greenhouse effect but can we give up our SUV for a more fuel efficient car Understanding this psychological connection can lead to more effective pro environmental policymaking Identity and the Natural Environment examines the ways in which our sense of who we are affects our relationship with nature and vice versa This book brings together cutting edge work on the topic of identity and the environment sampling the variety and energy of this emerging field but also placing it within a descriptive framework These theory based empirical studies locate environmental identity on a continuum of social influence and the book is divided into three sections reflecting minimal moderate or strong social influence Throughout the contributors focus on the interplay between social and environmental forces as one local activist says We don't know if we're organizing communities to plant trees or planting trees to organize communities **Watershed Research Traditions in**

Human Communication Theory Donald P. Cushman, Branislav Kovacic, 1995-08-23 This sampling of watershed research traditions in interpersonal organizational and mass communication manifests how communication theory is developed defended and extended at a philosophical theoretical and practical level of inquiry from a plurality of research perspectives The book includes the foundational works of Pearce Cronen and Associates on the coordinated management of meaning

Berger Gudykunst and Associates on uncertainty and anxiety reduction theory Cushman Nicotera and Associates on the communication rules involved in establishing and maintaining interpersonal relationships Delia Clark and Associates on constructivism Deetz Mumby and Associates on critical theory Desmond and Associates on mass communication theory Sanders and Gottman on communication sequences Cushman King and Associates on high speed management and Philipsen and Associates on the ethnography of communication

Engaging and Transforming Global Communication through Cultural Discourse Analysis Trudy Milburn, Michelle Scollo, 2018-11-13 Global communication can be difficult in the best of circumstances The contributors in this book take seriously the premise that one can examine communication within specific global settings and scenes with the goal of ensuring that the meanings made among those within specific communities is more clearly understood This includes recognizing that we often communicate based on specific assumptions and act in ways that have normative bases that are shared with those within communities but are often difficult to discern or navigate by those who are not members of them Situated within the Ethnography of Communication research program the contributors in this volume use Cultural Discourse Analysis to examine such practices a theory and methodology developed by Donal Carbaugh over the past thirty years The book is a celebration of his work and career in which forty four prominent Communication scholars and practitioners come together to use this framework to examine pressing communication issues across the globe The book includes a preface by Gerry Philipsen that is an academic history of Carbaugh s career an introduction outlining the history and current practice of Cultural Discourse Analysis sixteen data based chapters using the framework to examine a broad range of inter cultural communication practices across the globe and an epilogue by Carbaugh reviewing this research and its future trajectory The book is a handbook of Cultural Discourse Analysis for examining the latest in Cultural Discourse Analysis research and learning how to do such work that will be useful to advanced undergraduate and graduate students in a broad range of fields inter cultural communication scholars and all those who seek to better understand and communicate in the global world today
