Sixpointed Star Its Orgin And Usage:

Eden: The Knowledge Of Good and Evil 666 Volume 1 Dr. Joye Jeffries Pugh, 2018-05-15 EDEN The Knowledge of Good and Evil 666 is a comprehensive story of good and evil brilliantly told thought provoking enlightening and uniquely timely Dr Joye Jeffries Pugh has a tenacious grip on the history of the continuing journey of good and evil This is a one of a kind book paralleling the history of the Garden of Eden with a Christian view to the present time with a credible expos of the New Age Agenda for exactly what it is This book is a must read for all people with inquiring minds whether or not one agrees with all of the presented premises Recognizing the evil forces that have brought us to this moment in history the author presents a sense of awareness not seen in most publications today World Empire and the Return of Jesus Christ , **Biblical Eschatology:** Dr. Justin G. Prock, 2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book

A History of Czechs and Jews Martin Wein,2015-02-11 Was Israel founded by Czechoslovakia A History of Czechs and Jews examines this question and the resulting findings are complex Czechoslovakia did provide critical secret military sponsorship to Israel around 1948 but this alliance was short lived and terminated with the Prague Trial of 1952 Israel s Czech guns were German as much as Czech and the Soviet Union strongly encouraged Czechoslovakia s help for Israel Most importantly however the Czechoslovak Israeli military cooperation was only part of a much larger picture Since the mid 1800s Czechs and Jews have been systematically comparing themselves to each other in literature music politics diplomacy media and historiography A shared perception of similar fates of two small nations trapped between East and West in constant existential danger helped forge a Czech Jewish national friendship amid periods of estrangement Yet this Czech Jewish national friendship an idea that can be traced from Masaryk and Kafka via Weizman and Ben Gurion to Havel and Netanyahu was more myth than reality Relations were often mixed and highly dependent on larger historical developments affecting Central Europe and the Middle East As the Czech Republic emerges as Israel s main EU ally this book provides a timely analysis of this old new alliance and is essential reading for students and scholars with an interest in History and Jewish Studies
