Sly Mongoose:

Animal Short Stories Clement B.G. London ED,2009-02-28 Language is power When animals take possession of words and especially begin with names they significantly move to the realm of freedom Just like slaves who have acquired manumission and can speak and write freely In this book of short stories the animals assume the characters of humans and therefore speak with authority of people in different life circumstances Other animals of the sane or different species adapt and adopt certain well defined stratagems in order to cope with the prolongation of their life spaces In this respect they serve as role models or prime examples of emulation ANIMAL SHORT STORIES should provide meaningful reading for children and young adults Clement B G London Ed D [My Jamaican Experience](#) Wilberforce Reid,2014-11-20 The fairest land ever eyes beheld the mountains touch the sky This is what Christopher Columbus wrote in his log when he landed on the north coast of Jamaica on May 5 1494 This statement has been affirmed over the years resulting in up to two million tourists visiting Jamaica each year Since then Jamaica has gone on to become a record producer of sugar banana and bauxite aluminum ore Jamaica was the first country in the Western Hemisphere to have a postal system a piped domestic water system and a golf course In the nineteen sixties and early seventies Jamaica had one of the highest growth rates among the developing countries Jamaica won more Olympic track and field medals as a ratio of its population than any other country in the world and only the United States has a larger aggregate In spite of this early sterling performance Jamaica has been through a turbulent political uprising and is still trying to navigate through a crippling economic malaise In the nineteen seventies and early eighties Jamaica was ground zero for the Cold War between the United States and the Soviet Union The author will take you through the good old days of the natural simplicity of growing up in rural Jamaica He will recount the past and present great achievements that have been accredited to Jamaica You will also visit with him the days of wrath when Jamaica was the staging ground for the proxy war between the Soviet Cuban axis versus the United States Central Intelligence Agency CIA *Uneven Futures* Ida Yoshinaga,Sean Guynes,Gerry Canavan,2022-12-20 Essays on speculative science fiction explore the futures that feed our most cherished fantasies and terrifying nightmares while helping diverse communities devise new survival strategies for a tough millennium The explosion in speculative science fiction SF across different media from the late twentieth century to the present has compelled those in the field of SF studies to rethink the community's identity orientation and stakes In this edited collection more than forty writers critics game designers scholars and activists explore core SF texts with an eye toward a future in which corporations dominate both the means of production and the means of distribution and governments rely on powerful surveillance and carceral technologies The essays international in scope demonstrate the diversity of SF through a balance of popular mass market novels comics films games TV shows creepypastas and more niche works SF works explored range from Riot Baby by Tochi Onyebuchi 2084 The End of the World by Boualem Sansal Terra Nullius by Claire Coleman Watchmen and X Men comics and the Marvel film Captain

America The Winter Soldier to the MaddAddam trilogy by Margaret Atwood The Dispossessed by Ursula K Le Guin The Wandering Earth by Liu Cixin and the Wormwood trilogy by Tade Thompson In an era in which ecological disaster and global pandemics regularly expose and intensify deep political economic inequalities what futures has SF anticipated What survival strategies has it provided us Can it help us to deal with and grow beyond the inequalities and injustices of our times Unlike other books of speculative science fiction criticism Uneven Futures uses a think piece format to make its critical insights engaging to a wide audience The essays inspire visions of better possible futures drawing on feminist queer and global speculative engagements with Indigenous Latinx and Afro and African futurisms while imparting important lessons for political organizing in the present Contributors Ben Abraham Emmet Asher Perrin Brent Ryan Bellamy Gerry Canavan Andrew Ferguson Fabio Fernandes Dexter Gabriel M Elizabeth Ginway Sean Guynes Ouissal Harize David M Higgins Veronica Hollinger Allanah Hunt Nicola Hunte Nathaniel Isaacson Ayana Jamieson Darshana Jayemanne Gwyneth Jones Brendan Keogh Sami Ahmad Khan Cameron Kunzelman Bryan Kamaoli Kuwada Isiah Lavender III Caryn Lesuma Karen Lord Sarah Marrs Farah Mendlesohn Cathryn Merla Watson Hugh Charles O Connell B Pladek John Rieder Lysa Rivera Kim Stanley Robinson Steven Shaviro Rebekah Sheldon Alison Sperling Alfredo Suppia Bogi Tak cs Taryne Jade Taylor Sherryl Vint Kirin Wachter Grene Ida Yoshinaga

Calypso and Other Music of Trinidad, 1912-1962, 2015-05-14 Calypso with its diverse cultural heritage was the most significant Caribbean musical form from World War I to Trinidad and Tobago Independence in 1962 Though wildly popular in mid 1950s America Calypso along with other music from the island of the hummingbird has been largely neglected or forgotten This first ever discography of the first 50 years of Trinidadian music includes all the major artists as well as many obscure performers Chronological entries for 78 rpm recordings give bibliographical references periodicals websites and the recording locations Rare field recordings are cataloged for the first time including East Indian and Muslim community performances and Shango and Voodoo rites Appendices give 10 inch LP 78 rpm 12 inch LP 33 1 3 rpm extended play ep and 7 inch single 45 listings Non commercial field recordings radio broadcasts and initially unissued sessions also are listed The influence of Trinidadian music on film and the Calypso craze are discussed Audio sources are provided Indexes list individual artists and groups recording titles and labels

Guyana Memories Dr. Hanif Gulmahamad, 2011-12-19 This book contains 15 stories and 48 poems Four of the stories are works of fiction Some of the stories for example Life on a sugar plantation in colonial Guyana contain a lot of information of historical significance that has previously been unrecorded and could well be lost in the passage of time I was born in 1945 on Springlands Sugar Estate where we lived in a small cottage in the estate compound behind and west of the District Commissioners Office building The story about life on a British colonial sugar plantation is drawn from personal experience and it is told in the voice of someone who actually lived that life The story entitled Going to America represents todays reality of Guyanese who have left leaving or trying to leave Guyana The expatriate Guyanese community particularly in North

America should certainly be able to relate to that experience Many of my compatriots were forced to undergo a second traumatic deracination for economic and political reasons lack of opportunity in the homeland no jobs no viable future and other reasons when they emigrated to Britain United States of America Canada the West Indies and other places The ancestors of Afro Guyanese were dragged out of Africa and brought to the New World as slaves The forefathers of Indo Guyanese were lured to British Guiana by deception and false promises and became bound coolies trapped in a form of indentured servitude that some regard as another form of slavery The second Guyanese uprooting and displacement though done largely voluntarily was no less disruptive frightening emotionally turbulent and difficult than the first one either from Africa or India Life for these people in a new land very often in hostile climatic conditions quite unlike the tropical conditions in the homeland was difficult harrowing stressful tumultuous psychologically traumatic and distressing for new emigrants The history of the Guyanese people is written in blood sweat tears suffering and misery The children of the new Guyanese diaspora will subsequently have their own story to tell about life in an alien land It has been said that it is easy for the poor to escape from a poor nation but it is not so easy for them to escape poverty in a rich nation Emigrants particularly those of an older generation who are set in their ways often experience extreme difficulties acculturating and assimilating into a different society and adjusting to an alien way of life They are often relegated to a shadowy existence in the marginalized immigrant community standing on the periphery of an alien culture looking in and experiencing loneliness hopelessness helplessness and lacking a sense of belonging Refer to the poem in this book entitled Living in a place where you were not born for some insights on this issue Stories such as Hunting birds with slingshots in Guyana Making and flying kites in Guyana Catching mullet at No 73 waterside Notorious fowl thieves of the village and When you really know it was Christmas time can elicit strong nostalgia and sentimental memories of youthful experiences so pleasurable and engrossing that it could cause you to yearn for a past life that was simple care free full of wonderful remembrances and recollections When I think of the wonderful life I once lived at Clonbrook I am a young lad all over again and I am happy Those who lived that life and had fond memories of it should certainly share these stories with their children and grandchildren Make these stories more real and fascinating by adding your own memories and experiences as you read them to your descendants After all everybody has a story to tell There are forty eight poems in this compilation that are sure to evoke emotions and nostalgia Many deal with subject matters pertaining to the Corentyne The reason for that is simple I was born and raised in the Upper Corentyne and I hold lots of treasured an The Penguin Book of Caribbean Verse in English Paula Burnett, 2005-11-03 Over the last few decades Caribbean writers performance poets newspaper poets singer songwriters have created a genuinely popular art form a poetry heard by audiences all over the world At the same time even at its most literary Caribbean poetry shares the vigour of the oral tradition Writers like Nobel Prize winner Derek Walcott and many other exciting new voices are exploring ways of capturing the vitality of the spoken word on the page Both of these traditions are represented in this lively anthology

which traces Caribbean verse from its roots to the present Keskidee ,1993 A journal of Black musical traditions

Jamaica Primary Language Arts Book 2 NSC Edition Diana Anyakwo,2024-04-28 Jamaica Primary Language Arts covers all the Language Arts strands under the National Standards Curriculum and assists students in interacting with methodologies and content not only in Language Arts but also in other disciplines across the NSC The Four Cs of communication collaboration critical thinking and creativity take centre stage in these appealing and engaging books Students will be supported and encouraged in their journeys to becoming life long learners The books are task oriented and student centred with many activities which students will find both engaging and relevant Explore and develop phonemic awareness through a variety of games and activities Learn and use literary terms and learn how to engage with different types of text Guide students to an understanding of the structure of language Explore written communication for a variety of purposes Ensure a smooth transition to the next phase of learning *Dark Laboratory* Tao Leigh Goffe,2025-01-21 A groundbreaking investigation of the Caribbean as both an idyll in the American imagination and a dark laboratory of Western experimentation revealing secrets to racial and environmental progress that impact how we live today Goffe s ear is tuned to songs of resistance to what it looks like to make life amid and after colonial subjugation noble and necessary The New York Times Book Review *Dark Laboratory* is stunning With a vast archive and a mighty pen Tao Leigh Goffe tells the story of modernity and its discontents through the land legacy and people of the Caribbean You will have a new understanding of the world Imani Perry National Book Award winning author of *South to America* In 1492 Christopher Columbus arrived on the Caribbean Island of Guanahan to find an Edenic scene that was soon mythologized But behind the myth of paradise the Caribbean and its people would come to pay the price of relentless Western exploitation and abuse In *Dark Laboratory* Dr Tao Leigh Goffe embarks on a historical journey to chart the forces that have shaped these islands the legacy of slavery indentured labor and the forced toil of Chinese and enslaved Black people who mined the islands bounty including guano which at the time was more valuable than gold for the benefit of European powers and at the expense of the islands sacred ecologies Braiding together family history cultural reportage and social studies Goffe radically transforms how we conceive of Blackness the natural world colonialism and the climate crisis and in doing so she deftly dismantles the many layers of entrenched imperialist thinking that shroud our established understanding of the human and environmental conditions to reveal the cause and effect of a global catastrophe *Dark Laboratory* forces a reckoning with the received forms of knowledge that have led us astray Through the lens of the Caribbean both guide and warning of the man made disasters that continue to plague our world Goffe closely situates the origins of racism and climate catastrophe within a colonial context And in redressing these twin apocalypses *Dark Laboratory* becomes a record of the violence that continues to shape the Caribbean today But it is also a declaration of hope offering solutions toward a better future based on knowledge gleaned from island ecosystems and an impassioned urgent testament to the human capacity for change and renewal *Groove Tube* Aniko

Caribbean Visions in Caliban and the Yankees

Harvey R. Neptune,2009-11-30 In a compelling story of the installation and operation of U S bases in the Caribbean colony of Trinidad during World War II Harvey Neptune examines how the people of this British island contended with the colossal force of American empire building at a critical time in the island s history The U S military occupation between 1941 and 1947 came at the same time that Trinidadian nationalist politics sought to project an image of a distinct independent and particularly un British cultural landscape The American intervention Neptune shows contributed to a tempestuous scene as Trinidadians deliberately engaged Yankee personnel paychecks and practices flooding the island He explores the military based economy relationships between U S servicemen and Trinidadian women and the influence of American culture on local music especially calypso fashion labor practices and everyday racial politics Tracing the debates about change among ordinary and privileged Trinidadians he argues that it was the poor the women and the youth who found the most utility in and moved most avidly to make something new out of the American presence Neptune also places this history of Trinidad s modern times into a wider Caribbean and Latin American perspective highlighting how Caribbean peoples sometimes wield America and American ways as part of their localized struggles Merchant Vessels of the United States ,1989 Before

Elvis Larry Birnbaum,2013 An essential work for rock fans and scholars Before Elvis The Prehistory of Rock n Roll surveys the origins of rock n roll from the minstrel era to the emergence of Bill Haley and Elvis Presley Unlike other histories of rock Before Elvis offers a far broader and deeper analysis of the influences on rock music Dispelling common misconceptions it examines rock s origins in hokum songs and big band boogies as well as Delta blues detailing the embrace by white artists of African American styles long before rock n roll appeared This unique study ranges far and wide highlighting not only the contributions of obscure but key precursors like Hardrock Gunter and Sam Theard but also the influence of celebrity performers like Gene Autry and Ella Fitzgerald Too often rock historians treat the genesis of rock n roll as a bolt from the blue an overnight revolution provoked by the bland pop music that immediately preceded it and created through the white appropriation of music till then played only by and for black audiences In Before Elvis Birnbaum daringly argues a more complicated history of rock s evolution from a heady mix of ragtime boogie woogie swing country music mainstream pop and rhythm and blues a melange that influenced one another along the way from the absorption of blues and boogies into jazz and pop to the integration of country and Caribbean music into rhythm and blues Written in an easy style Before Elvis presents a bold argument about rock s origins and required reading for fans and scholars of rock n roll history Maritime
Marion Massachusetts Judith Westlund Rosbe,2002-06-12 Marion s relationship with the ocean has been the defining element in the small town s development since its settlement as Sippican in America s colonial era Since 1678 generation after generation of Marion families have relied upon the opportunities a port and sea provide in both life and industry The

waters of Buzzards Bay run deep in this coastal community and its influence leaves an indelible mark not only upon every cove beach and inlet but upon the very spirit of each resident and visitor For many the sea is a temperamental and dangerous mistress and Marion s affair with her is no different for this town has experienced both great gain in wealth and horrific loss of life and property by her hands over the centuries In Maritime Marion Massachusetts readers take a remarkable journey across four centuries of struggle and prosperity as a simple coastal hamlet evolves into a celebrated nautical center for shipbuilding fishing and racing This unique volume containing over 100 black and white illustrations chronicles the many aspects of maritime life from trade to recreation including the once prominent whaling industry the various local saltworks the traditions of Tabor Academy the influence of the Marconi Wireless Telegraph Company and the prestige of the Beverly Yacht Club However one of the greatest pleasures and customs of any seacoast community is its storytelling and Maritime Marion recounts several of the town s most interesting and puzzling tales such as the mystery of the Mary Celeste s lost crew the tragedies of numerous hurricanes the fate of the British warship HMS Nimrod and the experiences of the first lighthouse keepers on Bird Island

Rhythm and Blues Goes Calypso Timothy Dodge,2019-03-15 Starting in 1945 and continuing for the next twenty years dozens of African American rhythm and blues artists made records that incorporated West Indian calypso Some of these recordings were remakes or adaptations of existing calypsos but many were original compositions Several such as Stone Cold Dead in de Market by Ella Fitzgerald and Louis Jordan or If You Wanna Be Happy by Jimmy Soul became major hits in both the rhythm and blues and pop music charts While most remained obscurities the fact that over 170 such recordings were made during this time period suggests that there was sustained interest in calypso among rhythm and blues artists and record companies during this era Rhythm and Blues Goes Calypso explores this phenomenon starting with a brief history of calypso music as it developed in its land of origin Trinidad and Tobago the music s arrival in the United States a brief history of the development of rhythm and blues and a detailed description and analysis of the adaptation of calypso by African American R B artists between 1945 and 1965 This book also makes musical and cultural connections between the West Indian immigrant community and the broader African American community that produced this musical hybrid While the number of such recordings was small compared to the total number of rhythm and blues recordings calypso was a persistent and sometimes major component of early rhythm and blues for at least two decades and deserves recognition as part of the history of African American popular music

Monkey Polo Tricks Manicou Al Ramsawack,2009-07 **Yachting** ,1983-09 MotorBoating ,1954-02 **A View From Mount Diablo** Ralph Thompson,John Lennard,2009-01-01 In View from Mount Diablo Class and racial privilege and the resentments they provoke underscore both turmoil in wider society and the relationships at the heart of the narrative between Adam Cole a dreamy white boy driven by personal tragedy to crusading journalism squint eyed Nellie Simpson once a servant then a political enforcer and stuttering Nathan gardener and groom turned cocaine baron Beyond this trio is a dazzling array of real and fictitious characters The annotated edition by John

Lennard Professor of British and American Literature at UWI Mona in Kingston allows the full scope of the verse novel to emerge for readers unfamiliar with Jamaican history since the 1930s

Embracing the Melody of Expression: An Emotional Symphony within **Sly Mongoose**

In some sort of used by screens and the ceaseless chatter of instantaneous interaction, the melodic splendor and psychological symphony produced by the written word frequently disappear into the background, eclipsed by the constant sound and distractions that permeate our lives. However, located within the pages of **Sly Mongoose** an enchanting fictional value full of natural thoughts, lies an immersive symphony waiting to be embraced. Constructed by an outstanding musician of language, this fascinating masterpiece conducts viewers on an emotional journey, well unraveling the concealed melodies and profound impact resonating within each cautiously crafted phrase. Within the depths of the poignant assessment, we will discover the book is main harmonies, analyze their enthralling publishing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
