Foreign Language Courses Produced by the Federal Government ,1989 *Cornell University Courses of Study* Cornell University,2007 **A Survey of Materials for the Study of the Uncommonly Taught Languages: Languages of South Asia** Center for Applied Linguistics,1976 **DHEW Publication No. (OE).** ,1972 **A Survey of Materials for the Study of the Uncommonly Taught Languages: Pidgins and Creoles (European based)** Center for Applied Linguistics,1976 **Current Trends in Linguistics** Thomas Albert Sebeok,1969 To assess the current state of linguistic activity in all fields and all countries The Routledge Concise Compendium of the World's Languages George L. Campbell,Gareth King,2018-12-07 This second edition of The Routledge Concise Compendium of the World s Languages has been completely revised to provide up to date and accurate descriptions of a wide cross section of natural language systems All cultural and historical notes as well as statistical data for each language have been checked updated and in many cases expanded Now offering an even broader range of languages including a greater number of the lesser known ones such as Cree Maltese and Haitian Creole this new edition of The Routledge Concise Compendium covers a total of 111 languages Key features include complete rewriting and systematization of the phonology sections for all languages provision of IPA symbol grids arranged by articulatory feature and by alphabetic resemblance to facilitate use of the new phonology sections expansion of morphology descriptions for all languages provision of new illustrative text samples addition of a glossary of technical terms comparative tables of the numerals 1 10 in all languages covered and also grouped by family classification by genetic relationship of all languages covered Using the wealth of recent developments and research in language typology and broadened availability of descriptive data this new incarnation of The Routledge Concise Compendium brings a much loved survey emphatically into the twenty first century for a new generation of readers The Routledge Concise Compendium of the World s Languages remains the ideal compact reference for all interested linguistics and professionals alike Gary King is Series Advisor for the Routledge Colloquials and the author of numerous books on language and linguistics He is also UCAS co ordinator and a lecturer at a large sixth form college George L Campbell worked for the BBC World Service and was a polyglot linguist and translator *Political Leadership in an Era of Decolonisation* Malcolm Murfett,2023-11-10 What is leadership and why is it so important In what ways does it look very different in different contexts and in what ways does it look the same Malcolm Murfett brings together a range of emerging and established scholars to examine these questions in light of some of the mid twentieth century s most intriguing national leaders In a series of striking biographical chapters lessons are drawn from the apartheid era in South Africa Lee s remarkable socio economic transformation of Singapore Castro s revolutionary overhauling of Cuba and the playing out of Bandaranaike s populist agenda in Sri Lanka The book illuminates what Brezhnev and Nixon were looking for in the Cold War and what happened when the people turned against Nyerere in Tanzania the Shah in Iran and Ceau escu in Romania These case studies address what leadership meant for the

individuals whose record in power is being examined These are not idealised portraits of how to do leadership but warts and all portrayals of exceptional individuals who scrabbled their way to the top and stayed there for several years during a period of great change Business schools have long studied the theoretical axioms of corporate leadership What this book does however is to move beyond the theory into the practical realm of politics and statecraft This is a fascinating book on leadership that will be of interest for students researchers and practitioners studying leadership in business and politics as well as for students of global history decolonisation and the Cold War
