Quicklet on Sir Arthur Conan Doyle's The Memoirs of Sherlock Holmes Sourya Biswas, 2012-03-14

ABOUT THE BOOK I first discovered Sherlock Holmes at the age of 11 in an illustrated abridged representation of his most famous adventure The Hound of the Baskervilles Captivated I sought out the original and read it as soon as I could While I had to sit with a dictionary to decipher Conan Doyle's exquisite 19th century language the power of the story had me in its thrall Over the course of year I had read all four novels and fifty six short stories featuring the most famous fictional detective of all time As I grew into adulthood I read them again and appreciated them in a new light Finer nuances that had escaped me on my first encounter with Holmes now revealed themselves including the frailties of this mighty personality For a mind this brilliant and he was no slouch in the physical department either as his boxing and other physical exploits will attest it was certainly a frailty that he did not appreciate the degenerative consequences of injecting heroin Thankfully there was the ever loyal Dr John Watson to wean him away from his self destructive habit I have read the stories several times since and I am sure I will read them several times again in future For it is through them that I developed a love for the English language and this love affair will continue as long as I am physically able to read

current UK editions of the Memoirs do include that story American editions dont CHAPTER OUTLINE Quicklet on Sir Arthur Conan Doyle s The Memoirs of Sherlock Holmes Personal Introduction About the Author About the Book Overall Summary and much more The Sherlock Holmes Journal ,1988 **The Failed Text** José Luis Martínez-Dueñas Espejo,Rocío G.
