The Poetical Works of Sir Walter Scott, Comprising Minstrelsy of the Scottish Border ... Walter Scott, 1839

Walter Scott and the Border Minstrelsy Andrew Lang, 2006 As to the character of Sir Walter Scott I have proved I hope that he worked on a copy of the ballad which was not the Elliot version or the Sharpe copy so that this copy may have represented the Scotts as taking the leading part while for the reasons given it is apparently earlier than the Elliot version cannot at least be proved to be later and is topographically the more correct of the two I have given antique examples of the same sort of perversions in Otterburn If I am right Colonel Elliot's charge against Scott lacks its base

Sir Walter Scott and the Border Minstrelsy Andrew Lang, 2020-03-28 It was through his collecting and editing of The Border Minstrelsy that Sir Walter Scott glided from law into literature The history of the conception and completion of his task a labour of love truly if ever such there was says Lockhart is well known but the tale must be briefly told if we are to understand the following essays in defence of Scott's literary morality Late in 1799 Scott wrote to James Ballantyne then a printer in Kelso I have been for years collecting Border ballads and he thought that he could put together such a selection as might make a neat little volume to sell for four or five shillings In December 1799 Scott received the office of Sheriff of Selkirkshire or as he preferred to say of Ettrick Forest In the Forest as was natural he found much of his materials The people at the head of Ettrick were still says Hogg 1a like many of the Highlanders even now in that they cheered the long winter nights with the telling of old tales and some aged people still remembered no doubt in a defective and corrupted state many old ballads Some of these especially the ballads of Border raids and rescues may never even have been written down by the original authors The Borderers says Lesley Bishop of Ross writing in 1578 take much pleasure in their old music and chanted songs which they themselves compose whether about the deeds of their ancestors or about ingenious raiding tricks and stratagems
