Books in Print, 2003-09 Books in print is the major source of information on books currently published and in print in the United States. The database provides the record of forthcoming books, books in print, and books out of print. Northern Ethnographic Landscapes Igor Krupnik, 2004. Many northern nations have long established policies for the documentation and protection of historical monuments, archaeological sites, old churches and cemeteries, and other historic sites on the landscape. Little is known, however, about the knowledge, memory, and historical value of the landscape in northern indigenous cultures, and even less has been done to build the legal and policy foundation to preserve this heritage for future generations. Northern Ethnographic Landscapes reviews current progress in this field across the circumpolar nations of Canada, the U.S., Alaska, northern Russia, Norway, and Iceland. Contributors to this pioneering volume address the role of traditional subsistence activities, memory, rituals, and sacred sites, place names, oral tradition, and personal stories that keep northern communities attached to their native lands. Featuring over 120 photographs from across the Arctic, this volume will appeal to residents of the North, professionals in heritage and landscape preservation, and scholars and students in Native studies, archaeology, oral history, and cultural anthropology. **Books In Print 2004-2005** Ed Bowker, Staff, Staff Bowker, Ed, 2004.
