

What was
this area
like before
Stonehenge?

Long before the first people came to
build Stonehenge, the area was a
land of forests and fields. The
first people lived here for about
2,000 years before the first
stone buildings were built.

One of the first people to live
here was a man named
Neolithic Man.

He lived here for about 2,000 years.
He was a hunter and a farmer.

He was a very strong man.
He was a very brave man.
He was a very smart man.
He was a very kind man.
He was a very good man.
