A Sketch of the Modern Languages of the East Indies Robert N. Cust, 2013-08-21 This is Volume II of fourteen in the India Language and Literature Series. Originally published in 1878, this book offers information on the languages of the East Indies that include the language families of Aryan, Dravidian, Kolarian, Tibeto-Burman, Khasi, Tai, Mon, Anam, and Malayan.

A Sketch of the Modern Languages of the East Indies Robert Needham Cust, 2015-09-27 Excerpt from *A Sketch of the Modern Languages of the East Indies* Accompanied by Two Language Maps. A Classical Dictionary of Hindu Mythology And Religion, Geography, History And Literature. In this work, an endeavour has been made to supply the long felt want of a Hindu Classical Dictionary. The main portion of this work consists of mythology, but religion is bound up with mythology and in many points the two are quite inseparable. This work will be a book of reference for all concerned in the government of the Hindus, but it will be more especially useful to young civil servants and to masters and students in the universities, colleges and schools in India. This not only forms an indispensable book of reference to students of Indian literature, but is also of great general interest as it gives in a concise and easily accessible form all that need be known about the personages of Hindu mythology whose names are so familiar, but of whom so little is known outside the limited circle of savants. Times. It is no slight gain when such subjects are treated fairly and fully in a moderate space, and we need only add that the few wants which we may hope to see supplied in new editions detract but little from the general excellence of Mr Dowson's work. Saturday Review. Selections from The Koran. Has been long esteemed in this country as the compilation of one of the greatest Arabic scholars of the time, the late Mr Lane, the well known translator of the Arabian Nights. The present editor has enhanced the value of his relative's work by divesting the text of a great deal of extraneous matter introduced by way of comment and prefixing an introduction. Times. Mr Poole is both a generous and a learned biographer. Mr Poole tells us the facts so far as it is possible for industry and criticism to ascertain them, and for literary skill to present them in a

condensed and readable form English man Calcutta Modern India And The Indians Being A Series Of Impressions Notes And Essays This edition will be found a great improvement on those that preceded it The author has taken care to avail himself of all such criticisms on particular passages in the previous editions as appeared to him to be just and he has enlarged the work by more than a hundred pages of additional matter In this volume we have the thoughtful impressions of a thoughtful man on some of the most important questions connected with our Indian Empire An enlightened observant man travelling among an enlightened observant people Professor Monier Williams has brought before the public in a pleasant form more of the manners and customs of the Queen s Indian subjects than we ever remember to have seen in any one work He not only deserves the thanks of every Englishman for this able contribution to the study of Modern India a subject with which we should be specially familiar but he deserves the thanks of every Indian Parsee or Hindu Buddhist and Moslem for his clear exposition of their manners their creeds and their necessities Times About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [A Sketch of the Modern Languages of the East Indies](#) Robert N.
