Small Christian Communities A Vision Of Hope:

Small Christian Communities Thomas A. Kleissler, Margo A. LeBert, Mary C. McGuinness, 2003 This revised and updated edition of *Small Christian Communities A Vision of Hope for the 21st Century* is a rich source of practical information about how to make the vision of the parish as a community of many small communities come alive y **Resources for Small Christian Communities** Thomas A. Kleissler, Margo A. LeBert, Mary C. McGuinness, 1991-01-01 **Small Christian Communities and the Parish** John Paul Vandenakker, 1994 Examines the pastoral and theological implications of North American Small Christian Community programs *Christian Community in History* Roger Haight, 2004 E F G H I J K L M N O P Q R S T U V W Y Z Christian Community in History Volume 2 Roger D. Haight, 2005-03-17 Ecclesiology from below as it operates in this work is directed to history it moves through the actual church of history to ecclesiology or to an understanding of the church both as it is and as it should be In the first volume that passage was fairly explicit because comprehensive ecclesiologies in our sense did not exist In this volume ecclesiology itself becomes much more directly the subject matter of the book but without losing sight of concrete history and the degree to which these ecclesiologies are historically conditioned Put somewhat differently the main goal of this comparative ecclesiology is not simply to lay down one after another different ecclesiologies that emerged over the last five hundred years although that describes the book with empirical accuracy Its larger intent is to show the richness vitality and creativity of the whole church as it moves through history adjusting to new times places and cultures **Small Christian Communities Today** Joseph G. Healey, Jeanne Hinton, 2005 How can churches in America modeling the oldest Christian communities renew themselves form within They can look to examples of thriving small Christian communities within their own country and throughout the world This inspiring book shows what is happening now across six continents to give pastors and lay leaders of every denomination encouragement through useable examples from their counterparts around the world **Parish Ministry for Returning Catholics** Patricia Barbernitz, 1993 An informative caring and community focused guide for parishes embarking on a ministry for returning Catholics *Preaching and Culture in Latino Congregations* Kenneth G. Davis, Jorge L. Presmanes, 2000 A collection of articles about preaching in Latino assemblies **The Church on the Margins** Mary R. Sawyer, 2003-07-24 Examines the state of the American Christian community from a cross cultural perspective The Vitality of Liberation Theology Craig L. Nesson, 2012-09-06 The Vitality of Liberation Theology argues for the ongoing necessity of a liberating theology in a world of endemic poverty and economic globalization Although some have declared liberation theology s demise or even its death Nesson articulates the imperative and logic of it for a new generation Latin American liberation theology burst forth as the most original and compelling theological movement from the developing world in the modern period The story of the emergence and proliferation of liberation theology as well as the opposition to this movement both within and without Latin America is one of the most significant and lasting developments in Christianity

since the last third of the twentieth century Together with other forms of liberating theology from contexts of oppression in diverse parts of the world anti apartheid theology in South Africa and Namibia Minjung theology in Korea Dalit theology in India or Palestinian liberation theology Latin American liberation theology takes a prophetic stand against the hegemony of the status quo and joins league with other subaltern peoples in the cause of freedom from all forms of subjugation and oppression The dawn of Latin American liberation theology inaugurated a new era in the global theological landscape Do Small Groups Work? Anna Creedon,2021-05-31 Engaging with the Bible in a small group context has the potential to be transformative but the picture is not without some complications Key factors in determining whether a small group can be transformed through scripture include the use or abuse of experts the opportunity for challenge in the group and how study materials are used Do Small Groups Work not only presents extensive research into these questions with the potential to transform practice but also offers a unique window into how practical theological research can productively encounter scripture **Creating the Evangelizing Parish** Frank P. DeSiano,Kenneth Boyack,1993 Creating the Evangelizing Parish challenges those who realize the importance of evangelization and are eager to make an impact on Catholic Church life today Co authors Frank DeSiano and Kenneth Boyack clearly explain the definition of evangelization and offer for further clarification an encounter model of evangelization which specifically places the ministry into the framework of personal relationships The authors then describe actual parish dynamics and organization in terms of their universal evangelizing purposes as understood by the church Creating the Evangelizing Parish is key reading for church leaders who want to take charge of their parishes direction establish evangelization teams and implement effective parish strategies for renewal Every pastor pastoral staff member parish counselor and other workers in evangelization will gladly welcome this book as a pastoral and practical resource for their ministry Creating the Evangelizing Parish will richly reward those who look for new directions in their ministry and the church BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Reforming the Church Noceti, Serena,2023 Reforming the Church analyses ministries participatory structures e g pastoral councils synods etc pastoral institutions e g parishes etc the role of the laity and especially women and couples in the Church the formation programs in seminaries and the decision making and decision taking models among other topics where concrete reforms are needed The book covers six perspectives parts The synodal form of church scripture and tradition the consensus ecclesiae pathways to renewed ministries coresponsibility versus clericalism reforming structures and the future an ongoing synodal spirituality Christian-Muslim Dialogue In Northern Nigeria Thaddeus Byimui Umaru,2013-08 Religion as a powerful impulse in human existence plays a paradoxical role in society as it both contributes significantly in shaping the spiritual socio political and economic lives of millions of people and also acts as a source of conflict The sad experience of interreligious conflict in Northern Nigeria challenges the claim of Islam and Christianity to be religions of peace However understood as closely intertwined with culture and custom of a people religion

can be central in the establishment of peace and conflict resolution in and between communities This text using the model of dialogue Nostra Aetate explores and presents the socio political and theological resources available in Northern Nigeria the locality for a consistent peace building process Re-imagining Life Together in America Catherine T. Nerney, Hal

Taussig, 2002 Well written and highly accessible this book interweaves a thorough review of developments in Christian community from the first century to the present with powerful new discoveries in scriptural theological and historical research that has uncovered deep communal strands in the foundational literature and notions of Christianity The result is a profound call for the renewal of Christian community and churches as crucial models and inspirations for the new search for wholeness in America **Twelve Dynamic Shifts for Transforming Your Church** E. Stanley Ott, 2002-06-06 Arguing that

the weakness of the church today is a loss of personal spirituality and congregational vitality Ott challenges local churches to discover how to adjust the style of their ministries to attract new people while encouraging current members **Group**

Spiritual Direction Rose Mary Dougherty, SSND, 1995 Group Spiritual Direction is a resource for people wishing to explore the possibilities of spiritual community within the context of group spiritual direction Rose Mary Dougherty's writing acknowledges the growing need that many people have for small communities of support in their relationship with God and it describes the diverse means that various religious traditions and denominations have used to address this need The text presents group spiritual direction as a unique form of spiritual community which assists people in ongoing individual discernment Drawing on years of experience as a spiritual director and as one who has offered group spiritual direction in ecumenical settings the author provides both the theological understanding and the detailed information needed to establish spiritual direction groups She consistently invites the reader to return to her primary assumption the most important element in group spiritual direction is the contemplative stance of presence to God for one another within the group meeting and prayer for one another outside the meeting The author also offers practical suggestions for fostering this contemplative stance as well as ways to prepare people for group spiritual direction **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved **Healthcare Ministry** Gerald A. Arbuckle, 2000 Healthcare Ministry

Border of Death, Valley of Life Daniel G. Groody, 2002 This book is a powerful first hand account of religious ministry reaching out to heal the lives of desperate people who come to the United States often illegally seeking a better life

American Catholicism Transformed Joseph P. Chinnici, 2021-04-27 Situating the church within the context of post World War II globalization and the Cold War American Catholicism Transformed draws on previously untapped archival sources to provide deep background to developments within the American Catholic Church in relationship to American society at large and Vatican Council II During this time the Catholic community entered a transitional stage in which those on the right and those on the left battled for control of the Church's vision This convergence of international and national forces of renewal and resistance to them will continue to shape the American Catholic community's global identity in the twenty

first century
