Drop shipping is viewed as a retail fulfillment method whereby you don't get to keep products in a store, but instead, you purchase items from a third party and then ship it directly to the customer. This therefore means that the merchant never gets to see or handle the products it sells. Anyone with a desire to start a home business that won't require so much effort should consider dropshipping, which is actually the easiest, quickest, and least costly form of eCommerce business to implement.
