David Nobbs, 1969 *The Sky above the Roof* Nathacha Appanah, 2023-04-04 A propulsive kaleidoscopic novel about a fractured family and the persistence of hope It all begins with a crash One night seventeen year old Wolf steals his mother's car and drives six hundred kilometers in search of his sister who left home ten years ago Unlicensed and on edge he veers onto the wrong side of the road and causes an accident He is arrested and incarcerated forcing his mother and sister to reconnect and pick up the pieces in order to fight for his release What follows is a lyrical precise and unflinching account of the events that lead to this moment told through the alternating perspectives of Wolf's mother sister and grandfather as well as the doctor who was present at Wolf's birth With each chapter new versions of the story and views of reality unfold and

they fit together like puzzle pieces in an uncertain order at first and then slowly falling neatly into place as the pages turn As details about the characters lives and the disconnections in their relationships are revealed the story becomes even more propulsive even more compelling In this raw and poignant novel Nathacha Appanah considers how trauma shapes generations and the wounds it leaves behind *The Sky above the Roof* is both a portrait of a fractured family and a poetic exploration of the ways we break apart and rebuild *The English Reader, Or, Pieces and Poetry* Lindley Murray,1826
