The Maximilian Emancipation Charles Conyers, Jr., 2017-06-17 This is Book 1 of 3 in the World Time Diaspora trilogy It s the summer of 2041 One year earlier America elected its first Mexican American president Unemployment is at a record low the economy is humming and opportunities are plentiful but not for everyone The white population is now in the minority with some feeling threatened and surrounded by the changing demographics as if they are on the verge of extinction These folks migrate to the upper northwest of the US to form an unofficial white ethnostate which is mockingly known as the Caucasian Caliphate Some feel the heat of a second Civil War simmering A controversial political talk show host named Gerry Baines makes a proclamation about God s intervention to cure America s woes via an existential breaking point in the form of a major but unknown event One week later on August 8th three African slave ships appear out of thin air in Kips Bay between NY and NJ A special team led by Secretary of State Lucy Fender in town for a UN Conference is recruited to investigate the mysterious appearance of the ships The team includes a quantum physicist named Kiki Bishop a university professor named Joseph Healey and his friend and colleague Maxmilian Oroko an African language specialist and historian Onorede Madaki is a warrior from the Krou tribe in 17th Century Africa He embarks on what his village elders believe is an insane mission to

seek out and be purposefully captured by the pale face ghosts invading their land and rumored to abduct people from neighboring tribes for nefarious and possibly cannibalistic horrors While imprisoned on a slave ship during its Middle Passage he and two of his tribesmen wind up on one of the ships caught in the time travel event Meanwhile in the 27th Century a mysterious man has accomplished the impossible but at what cost Part satire part historical drama and spanning over thousands of years this is a story that asks the question If you could go back in time could you prevent African slavery

The Slave Ship Marcus Rediker,2007-10-04 Masterly Adam Hochschild The New York Times Book Review In this widely praised history of an infamous institution award winning scholar Marcus Rediker shines a light into the darkest corners of the British and American slave ships of the eighteenth century Drawing on thirty years of research in maritime archives court records diaries and firsthand accounts The Slave Ship is riveting and sobering in its revelations reconstructing in chilling detail a world nearly lost to history the floating dungeons at the forefront of the birth of African American culture

Architecture and Empire in Jamaica Louis P. Nelson,2016-01-01 Through Creole houses and merchant stores to sugar fields and boiling houses Jamaica played a leading role in the formation of both the early modern Atlantic world and the British Empire Architecture and Empire in Jamaica offers the first scholarly analysis of Jamaican architecture in the long 18th century spanning roughly from the Port Royal earthquake of 1692 to Emancipation in 1838 In this richly illustrated study which includes hundreds of the author s own photographs and drawings Louis P Nelson examines surviving buildings and archival records to write a social history of architecture Nelson begins with an overview of the architecture of the West African slave trade then moves to chapters framed around types of buildings and landscapes including the Jamaican plantation landscape and fortified houses to the architecture of free blacks He concludes with a consideration of Jamaican architecture in Britain By connecting the architecture of the Caribbean first to West Africa and then to Britain Nelson traces the flow of capital and makes explicit the material economic and political networks around the Atlantic *Excavating the Histories of Slave-Trade and Pirate Ships* Lynn Brenda Harris,Valerie Ann Johnson,2022-05-18 This edited volume brings new perspectives on the topic maritime archaeology of the slave trade in the Caribbean The book focuses on shipwrecks of the slave trade in the 18th century and suggests that there is a more complex and challenging social narrative than has previously been discussed The authors examine biographies of ships crew members voyage logs cargo inventories trader correspondence and contextual analysis of the artifact assemblages to bring new insights into the microeconomics and maritime traditions of these floating prisons The illustrious biography of Captain Edward Thache aka Blackbeard reveals past identities as a naval officer slave trader and pirate Categories of artifacts in archaeological collections represent cultural connections and traditions of enslaved Africans The volume includes several case studies that inform these narratives and examines slave ships such as la Concorde Henrietta Marie Whydah La Marie Seraphique and Marquis de Bouill Within the larger context of slave trade during the 18th century authors explore legal and illegal trade in the British West Indies These

studies also address the plethora of social political and environmental impacts on these island communities that played an integral and strategic role in slave trade economics This volume presents up to date research of professional maritime historians artifact curators and marine archaeologists drawing upon primary source documents artwork and material culture The research collaborators reconstruct the international spheres of colonial North America Europe Africa and West Indies It is an interwoven narrative both unique and typical to the social and economic dynamics of 18th century Atlantic World
