Around the Tees contains over sixty terrible and gruesome tales that are set in the locality including Barnard Castle  
Darlington Middlesbrough Hartlepool and many of the surrounding villages In the nineteenth century Victorian industrialists  
built their empires in the beautiful scenery and charming villages of the Tees area using the river for transport of the  
commodities that were produced Small cramped houses were built to accommodate the rising population and often three or  
more families would live in one small dwelling Many of the workers were illiterate and heavy drinkers Domestic violence and  
drunken brawls were common amongst the poorer classes Women and children were often a burden to the breadwinner and  
were held in low esteem In a period spanning 100 years from 1799 1899 these well researched events give an insight into the  
darker side of our region s history and heritage Take a journey into the darker side of your area and let your spine tingle as
