Philipps Oppenheim, 2018-05-23 Reproduction of the original Stolen Idols by E **Stolen Idols** Edward Phillips Oppenheim, 1932 **Stolen Idols** E Phillips Oppenheim, 2021-02-05 Philipps Oppenheim Two temple statues one with the most beautiful of features the other a hideous sight are at the core of this tale of adventure and the supernatural Carved by Chinese craftsmen they have stood to either side of the great Buddha for hundreds of years worshipped and protected by generations of priests Taken together they represent human nature in balance the spiritual with the bestial the Soul with the Body But what if they are separated Ancient legend warns of disaster to anyone who disturbs that balance Young Gregory Ballaston of England however gives no credence to such dire threats when he and a friend set out to steal the idols which are rumored to conceal a treasure in jewels His friend dies in the attempt and one of the idols is presumably stolen by his murderers Gregory nearly loses his own life in the effort but manages to get away with the other idol the bestial Body What will be the outcome for Gregory or the beautiful young woman he meets in China and courts on the journey home with his prize Even before he sets sail for home the idol begins to prey on Gregory Ballaston E Phillips Oppenhbeim Theft of an Idol Paul R. Brass, 2020-09-01 As collective violence erupts in many regions throughout the world we often hear media reports that link the outbreaks to age old ethnic or religious hostilities thereby freeing the state its agents and its political elites from responsibility Paul Brass encourages us to look more closely at the issues of violence ethnicity and the state by focusing on specific instances of violence in their local contexts and questioning the prevailing interpretations of them Through five case studies of both rural and urban public violence including police public confrontations and Hindu Muslim riots Brass shows how out of many possible interpretations applicable to these incidents government and the media select those that support existing relations of power in state and society Adopting different modes

narrator detective and social scientist Brass treats incidents of collective violence arising initially out of common occurrences such as a drunken brawl the rape of a girl and the theft of an idol and demonstrates how some incidents remain localized while others are fit into broader frameworks of meaning thereby becoming useful for upholders of dominant ideologies Incessant talk about violence and its implications in these circumstances contributes to its persistence rather than its reduction Such treatment serves in fact to mask the causes of violence displace the victims from the center of attention and divert society s gaze from those responsible for its endemic character Brass explains how this process ultimately implicates everyone in the perpetuation of systems of violence Stolen Idols Edward Oppenheim, 2021-10-11 Stolen idols From Edward Phillips Oppenheim The Idols of Death and the God of Life Pablo Richard, 2009-05-01 Contents I Biblical Theology of Confrontation with Idols by Pablo Richard II The Gods of Oppression by J Severino Croatto III Divine Judgment In History by George V Pixley IV The Epiphany of the God of Life in Jesus of Nazareth by Jon Sobrino V The God of the Strategic Covenant by Victorio Araya G VI The Task of Making God Exist by Joan Casa as VII Meditation on the God of the Poor by Javier Jim nez Lim n VIII God Bursts Forth in the Experience of Life by Frei Betto Carlos Alberto Libanio Christo IX The Economic Roots of Idolatry Entrepreneurial Metaphysics by Franz Hinkelammert X The Faith of the Poor in Their Struggle with Idols by Hugo Assmann The Plunder of Art Hamendar Bhisham Pal, 1992 India S Cultural Heritage Lies Among Others In Its Art Paintings Sculptures And Architecture For Centuries Through Their Medium The Country S Inspired Men And Women Have Created Works Of Art Which Represent Truth And Beauty The Glory Of These Can Be Seen Practically In Every State However Unfortunately The Vandals Have Played Havoc With This Repository Of The Country S Cultural Heritage They Have Not Only Disfigured The Monuments But Also Indulged In Thieving Of Art Pieces And Smuggling These Beyond The National Borders The Greater Awareness Of The Beauty Of Indian Art The Craze For Their Possession And The Fantastic Money These Fetch In Sales Abroad Are Basically Some Of The Causes That Prompt This Plunder Of Works Of Art
