Mac Wellman s quartet of plays Crowtet      *My Year 2005* Douglas Messerli,2006 For years the noted author and founded

publisher of Sun Moon Press and Green Integer has been spurred by fellow writers and friends to write his memoirs But

Messerli argues that he does not have the sensibility to write only about his personal experiences since his life has been

primarily defined by cultural encounters thus this annual collection of essays on these experiences as well as the hundreds of

notable figures with whom he has had friendships and working relationships The 2005 volume includes Paul Auster Robert

Creeley and John O Keefe among others      *The Chieko Poems* Kōtarō Takamura,2007 The major influence and subject of

Takamura s work was Naganuma Cheiko an early member of the feminist movement Seitoshia They were married in 1914 and

modelled their relationship on sexual equality In 1931 Cheiko began to show signs of schizophrenia and in 1932 she

attempted suicide She was institutionalised in 1935 and died there of tuberculosis in 1938 The poems in this volume are

touching portraits of his wife and their life together from the time of their courtship until some years after her death      The

**Exterminating Angel** Luis Buñuel,Luis Alcoriza,2003 An aristocrat called Nobile invites several society friends to his house

after the opera But even as the dinner preparations are underway servants feel compelled to leave Despite threats of

dismissal the footman also leaves and as other guests arrive other servants escape Dinner is served and hours pass but the

guests do not leave Finally each refusing to be the first to leave the party distrust sets in and the guests turn on their host

blaming him for their self induced captivity One of Bunuel s most sardonically humorous and visually stunning works      A

Transparent Lion Attila József,2006 Regarded by many as Hungary s greatest 20th century poet Jozsef was born in Budapest

in 1905 and died after apparently throwing himself under a train in December of 1937 Writing in intense emotional tones

that swung between despair and hope Jozsef invigorated old poetic forms with a new freedom orchestrating his poems with

fresh rhythmic patterns influenced by folk music's rhythms as well as their metrics. But Jozsef was also influenced by Dadaist and other modernist ideas, finding a voice that would synthetise the older cultural forms with the newer experiments.

**Across the Darkness of the River** Murong Xi, 2001 Collected here for the first time in English Hsi's poems speak profoundly of an awkward poise between the anxiety of remembering and the need to forget. *New and Selected Poems* Gilbert Sorrentino, 2004 Although best known for his fiction including novels such as Little Casinos and Gold Fools Sorrentino is also a distinguished poet. This volume reprints his Selected Poems 1958–1980 and includes 27 new poems and poem sequences published since 1980. Sorrentino's poetry is at once beautifully imagistic and filled with the magic of startling language. His works are precise and yet dazzlingly abstract; some use to great effect Oulipian devices. Satiric landscapes are alternated with brilliant recastings of older forms. *Progress* Barrett Watten, 2005 A new edition of these two innovative long poems by one of the best known poets and critics associated with Language writing. Upon its original publication in 1985 Progress was greeted with enthusiasm and public debate. Its linguistically charged, emotionally relentless and culturally reflexive non-narrative form was pitched against the media saturation and political banality of the Reagan era. Under Erasure published in a limited edition in 1991 was written during its purported realisation at the end of the Cold War in 1989; an event it records. **Index to Jewish Periodicals**, 1970 **L.A. trip** Mohammed Dib, 2003 This great Algerian novelist and poet wrote L.A. Trip in response to a stay in Los Angeles in the 1970s. Dib saw this work as a bilingual publication and this edition accordingly is the first complete version of what he describes as a novel in verse. The story tells of an Old World man's tribulation in the New World and revives a tradition somewhat lost from sight. The novel in verse which the author describes as an antidepressant to poetry's ectoplasmic days languishing exhausted by a breathless impressionism.
