picture of the loved one emerges more complete than any one individual's picture. Similarly, each Gospel writer gives a unique snapshot of Jesus. Pastor Levandusky has done us a great favor by putting the Gospel stories of the most important ten days of the life of Jesus into such a perspective. Pastor Larry Riddle, Pastor of Moore's Corner Church, North Leverett, MA, for 32 years (1978-Present). My dear brother has written an intricate and detailed book of the Last Ten Days of Jesus' life that will be a most welcome addition to all Pastors' libraries and to the serious student of its word. It is an exhaustive work that required much time and labor, and I commend my brother in this fine work.

**The Evangelical History and Harmony.** By **Matthew Pilkington.** [With "Notes."] ,1747 **Listen for the Whisper** Judy Wiedenkiller, 2025-07-31 In these thoughtful devotions you will find the loving voice of our tender Shepherd Jesus who said, "My sheep hear my voice and they follow me." You may identify with some of the struggles, even the humor, and prayerfully find deeper insights into the Word of God. These devotions span several decades and are a journey through a life lived. As you read through these pages, you are invited to dig deeper into the Scriptures and listen for the gentle whisper of his heart to your heart. *Godless* Dan Barker, 2008-09-01 One man shares the story of his transformation from evangelical Christian to atheist and examines the train of thought that brought him there. After almost twenty years of evangelical preaching, missionizing, and Christian songwriting, Dan Barker threw out the bathwater and discovered that there is no baby. In *Godless*, Barker describes the intellectual and psychological path he followed in moving from fundamentalism to freethought. *Godless* includes sections on biblical morality, the historicity of Jesus, biblical contradictions, the unbelievable resurrection, and much more. It is an arsenal for skeptics and a direct challenge to believers. Along the way, Barker relates the positive benefit readers will experience from learning to trust in reason and human kindness instead of living in fear of false judgment and moral condemnation. Advance Praise for *Godless*: Valuable in the human story are the reflections of intelligent and ethical people who listen to the voice of reason and who allow it to vanquish bigotry and superstition. This book is a classic example. Christopher Hitchens, author of *God is Not Great*. The most eloquent witness of internal delusion that I know, a triumphantly smiling refugee from the zany surreal world of American fundamentalist Protestantism, is Dan Barker. Richard Dawkins, author of *The God Delusion*. *Godless* was a revelation to me. I don't think anyone can match the devastating clarity, intensity, and honesty which Dan Barker brings to the journey: faith to reason, childhood to growing up, fantasy to reality, intoxication to sobriety. Oliver Sacks, author of *Musicophilia*. In *Godless*, Barker recounts his journey from evangelical preacher to atheist, activist, and along the way, explains precisely why it is not only okay to be an atheist, it is something in which to be proud.

Michael Shermer publisher of Skeptic Magazine Godless is a fascinating memoir and a handbook for debunking theism But most of all it is a moving testimonial to one man s emotional and intellectual rigor in acclaiming critical thinking Robert Sapolsky author of Why Zebras Don t Get Ulcers     **The biblical museum** James Comper Gray,1871     Parallel Gospels in Harmony - with Study Guide David Reed,2009-06-01 PARALLEL GOSPELS IN HARMONY with STUDY GUIDE lets you read and study the four Gospels in parallel columns with corresponding passages side by side using the modern language World English Bible It s also copyright free so that anyone can reproduce it A disciple in the garden of Gethsemane cuts off the ear of the high priest s servant according to all four Gospels But only John tells us the servant s name and that it was Peter who wielded the sword And only Luke tells us that Jesus healed the wound This book allows you to see all of this at a glance
