Stone Of Help Annals Of Lystra 2:

Stone of Help Robin Hardy, 2005 The Chataine's guardian Roman sees his dreams fulfilled beyond his wildest hopes when the armies invading Lystra are felled by disease and Roman's Commander Galapos assumes rulership of the country. Moreover Roman is reunited with his bride Chataine Deirdre who is pregnant with their first child. But while Galapos is consumed with the task of rebuilding war-torn Lystra, Deirdre allows herself to be lured away from Roman's protection. Immediately after giving birth in a cave, she is sold into slavery and taken to another province. Upon her mysterious disappearance, Roman undertakes a futile search for her, not knowing that her redemption has already been ordained nor the terrible price that must be paid to free her. The Annals of Lystra begin with Chataine's Guardian, continue in *Stone of Help* and conclude with *Liberation of Lystra*. Robin Hardy is the author of the *Streiker Saga*, the *Sammy Series*, *Padre* and *The Latter Annals of Lystra*. Nicole of Prie Mer and Ares of Westford. She is also the editor of W. W. Melton's classic devotional *Sifted But Saved*. For photos, articles, guest features, and updates on new releases and reprints, visit Robin's website at www.robinhardy.com.

The Encyclopedia of Christian Literature George Thomas Kurian, James D. Smith III, 2010-04-16 The written word is one of the defining elements of Christian experience. As vigorous in the 1st century as it is in the 21st, Christian literature has had a significant function in history, and teachers and students need to be reminded of this powerful literary legacy. Covering 2,000 years, *The Encyclopedia of Christian Literature* is the first encyclopedia devoted to Christian writers and books. In addition to an overview of the Christian literature, this two-volume set also includes 40 essays on the principal genres of Christian literature and more than 400 bio-bibliographical essays describing the principal writers and their works. These essays examine the evolution of Christian thought as reflected in the literature of every age. The companion volume also features bibliographies, an index, a timeline of Christian Literature, and a list of the greatest Christian authors. The encyclopedia will appeal not only to scholars and Christian evangelicals but students and teachers in seminaries and theological schools, as well as to the growing body of Christian readers and bibliophiles.

Sammy Robin Hardy, 2004 After their torrid love affair, Marni is left so traumatized that she is driven to find healing in a faith she never knew she had. While Sammy, the detective, faced with the terrifying consequences of his actions, makes a blind grab at redemption.

Almost completely inaccessible to the public for three centuries, this book is a virtual historical encyclopedia with information and footnotes to history that otherwise would have been lost forever. Covering history from the beginning through the first century A.D., Ussher relates both famous accounts and little-known events in the lives of the famous and infamous, including pharaohs, Caesars, kings, conquerors, thieves, pirates, and murderers.
