and closes with the Chinese mythological tradition and touches on Sumerian Babylonian Phoenician Hindu Norse Native American and even Mayan myths weaving together many of their celestial serpentine similarities It focuses primarily on the role of the constellation Draco the astronomical marker of the North Celestial Pole for literally thousands of years The importance of this simple astronomical observation helped facilitate the study of the calendar navigation farming and social organization The circuit of the seasons was marked by this cadence with the moving center guarding the position of the zodiacal circle for literally thousands of years The secret of the circle was hidden in its center The one had to be determined before the other If the true center was not accurately observed and determined the entire circle was off This is a beautiful and informative book of discovery following the mythology of various cultures as it evolved into modern astronomy

**The Gods' Machines** Wun Chok Bong, 2008-05-27 Based on the author's decipherment of prehistoric carvings and the application of mathematical measurements The Gods' Machines shows how unknown phenomena from Angkor Wat to Stonehenge to crop circles are actually powerhouses built by an advanced extraterrestrial civilization for tapping electromagnetic energy The book traces the development of that civilization on Earth over 5 000 years revealing how all these structures are aligned according to a universal formula an angle of 135 degrees at which Earth's energy has been tapped by the alien creators of these monuments These fascinating

theories not only explain our distant past but also open the door to a future of power technology and space travel Megalithic sites such as Newgrange and Stonehenge are constructed with quartz and iron rich stones with electrical conduction properties minerals also found atop Aztec temple and inside crop circles These stones according to the author served as dry cell batteries when heated and stressed and supplied energy to the builders traveling vehicles Most interestingly the author has tested his theory on today s crop circles The Gods Machines is certain to stimulate debate among readers interested in alternative history ancient civilization and extraterrestrial intelligence *The Word* Taliessin Enion Vawr, Merridden Gawr, Rhuddlwm Gawr, 2002-12-11 THE WORD Welsh Witchcraft and America By Rhuddlwm Gawr Taliesin Enion Vawr Merridden Gawr Introduction by Sarah Llewellyn Book Three of The Quest Trilogy Many avid readers have awaited publication of The Word part three of the Quest Trilogy This is the most comprehensive book ever published on the practice of Welsh Witchcraft and is one of the few books that teaches the basic spirituality of the Craft It discloses why and how Welsh Witchcraft began It reveals the religious practices and explains the mysteries of the magical rituals It demonstrates initiation and guides the reader through that ritual as well as the arcane teachings The Word establishes the claim that Welsh Witchcraft is a remnant of the ancient religion of Hyperborea and Atlantis *Before the Delusion* William Gleeson, 2020-06-16 In this thrilling novel Dr Liam Kelly PhD SJ is a renowned scholar of Biblical history who has spent a lifetime researching pre Christian documents in the Vatican archives With his knowledge of a dozen ancient languages he compiles a dossier of the secrets of the archives and uncovers startling linked secret meaning of the Pyramids Stonehenge But he learns the story can never be told because twisted through the threads of pagan history are other dark secrets the Church does not want to reveal Dr Kelly wrestles with his inner demons torn between loyalty to his Church and the temptation of telling the truth At risk to his personal safety he defies Church hierarchy to find a way to reveal the old knowledge of pagan mysteries **The Puzzle Box** Danielle Trussoni, 2024-10-08 NATIONAL BESTSELLER A fun DaVinci Code style blend of puzzles mysticism and high octane action People Best Books of the Month from the author of The Puzzle Master This rip roaring adventure thriller is an escapist puzzle box of delights a neurodivergent hero an unsolvable mystery and death hanging over every move Catherine Steadman author of Something in the Water WINNER OF THE LOS ANGELES TIMES BOOK PRIZE A PUBLISHERS WEEKLY BEST BOOK OF THE YEAR Two sisters A lost imperial treasure The world s greatest puzzle master has twenty four hours to solve the most dangerous mystery of his life or die trying It is the Year of the Wood Dragon and the ingenious Mike Brink has been invited to Tokyo Japan to open the legendary Dragon Box The box was constructed during one of Japan s most tumultuous periods when the samurai class was disbanded and the shogun lost power In this moment of crisis Emperor Meiji locked a priceless Imperial secret in the Dragon Box Only two people knew how to open the box Meiji and the box s sadistic constructor and both died without telling a soul what was inside or how to open it Every twelve years since then in the Year of the Dragon the Imperial family holds a clandestine contest to open the box It is

### **Hierophantic Landscapes** Richard Leviton, 2011-09-26

The Earth is poised to make a great disclosure Its a hierophant But whats a hierophant A person who reveals the holy light But it can also be a landscape or a planet And whats the holy light It is the structure of reality and consciousness a map of the heavenly realms the engineering blueprint of Creation Some people call this imminent disclosure the Apocalypse and run for cover But that is mistaken Apocalypse means the revelation of the divine revelation It means the end of our picture of the world as we know it The world itself will be fine even better than fine Splendid Illumined The Architect of reality lays down His cards face up and you see the whole deck Here is the truth of yourself and the Earth How will this disclosure work What we call sacred sites and holy landscapes will start revealing themselves in full to us in all their geomantic and visionary richness Thats the inner patterning of their design their arrays of Light temples and subtle palaces primed for our visionary adventures and edification The Earth needs us to have these adventures and visions because thats how we keep the planet healthy Hierophantic Landscapes visits five landscapes from Norway and England to California and Mexico providing firsthand reports on the visions and adventures of a small band of geomancers as they seek to unravel the mysteries of the Earth Maybe not such a small band because along the way we encounter angels landscape devas Nature Spirits and otherworldly mentors and revel in vistas of the ancient past of the Earth when that revelation was as fresh as a sunrise as it will soon be again
