**Bonnie Burstow**

## **Stones In The Bridge A Jewish Womans Crossing Poems:**

Stones in the Bridge Helene Shrier,1998 This collection of Helen Shrier s poems presents her testimony to the power of the divine     **American Book Publishing Record** ,1998     *The Cumulative Book Index* ,1999     *The British National Bibliography* Arthur James Wells,1999     **Index of American Periodical Verse** ,1998     *Cumulated Index to the Books* ,1999     Jewish Lesbian Scholarship in a Time of Change Marla Brettschneider,2022-07-25 Jewish Lesbian Scholarship in a Time of Change is the first major work in Jewish lesbian studies in more than a decade Once a vibrant field few works in Jewish queer studies in recent years have looked at the experiences of and scholarship on Jewish women feminists and those identified as lesbians Correcting a twenty first century shift away from explicitly feminist investigations in Jewish queer and LGBTQ studies this work signals a new trend of scholarly works in the field The chapters span an array of genres presenting the rich diversity of Jewish lesbians as they are as well as of Jewish lesbian scholarship today This collection makes an innovative contribution to Jewish studies lesbian and queer studies gender studies as well as to racial and cultural diversity studies This book was originally published as a special issue of the Journal of Lesbian Studies     **An Anthology of Jewish-Russian Literature: Two Centuries of Dual Identity in Prose and Poetry** Maxim D. Shroyer,2015-03-26 This definitive anthology gathers stories essays memoirs excerpts from novels and poems by more than 130 Jewish writers of the past two centuries who worked in the Russian language It features writers of the tsarist Soviet and post Soviet periods both in Russia and in the great emigrations representing styles and artistic movements from Romantic to Postmodern The authors include figures who are not widely known today as well as writers of world renown Most of the works appear here for the first time in English or in new translations The editor of the anthology Maxim D Shroyer of Boston College is a leading authority on Jewish Russian literature The selections were chosen not simply on the basis of the author s background but because each work illuminates questions of Jewish history status and identity Each author is profiled in an essay describing the personal cultural and historical circumstances in which the writer worked and individual works or groups of works are headnoted to provide further context The anthology not only showcases a wide selection of individual works but also offers an encyclopedic history of Jewish Russian culture This handsome two volume set is organized chronologically The first volume spans the nineteenth century and the first part of the twentieth century and includes the editor s extensive introduction to the Jewish Russian literary canon The second volume covers the period from the death of Stalin to the present and each volume includes a corresponding survey of Jewish Russian history by John D Klier of University College London as well as detailed bibliographies of historical and literary sources     **The Columbia Granger's Index to Poetry in Anthologies** ,1997     **Strangers, Aliens and Asians** Anne Kershen,2004-08-02 Focusing on the area of Spitalfields in East London this volume compares and contrasts the settlement integration and assimilation processes undergone by three different immigrant groups over a period of almost three hundred and fifty years     *Books and Beyond* Kenneth Womack,2008-10-30

There is a strong interest in reading for pleasure or self improvement in America as shown by the popularity of Harry Potter and book clubs including Oprah Winfrey's. Although recent government reports show a decline in recreational reading the same reports show a strong correlation between interest in reading and academic achievement. This set provides a snapshot of the current state of popular American literature including various types and genres. The volume presents alphabetically arranged entries on more than 70 diverse literary categories such as cyberpunk, fantasy, literature, flash fiction, GLBTQ literature, graphic novels, manga and anime, and zines. Each entry is written by an expert contributor and provides a definition of the genre, an overview of its history, a look at trends and themes, a discussion of how the literary form engages contemporary issues, a review of the genre's reception, a discussion of authors and works, and suggestions for further reading. Sidebars provide fascinating details and the set closes with a selected general bibliography. Reading in America for pleasure and knowledge continues to be popular even while other media compete for attention. While students continue to read many of the standard classics, new genres have emerged. These have captured the attention of general readers and are also playing a critical role in the language arts classroom. This book maps the state of popular literature and reading in America today, including the growth of new genres such as cyberpunk, zines, flash fiction, GLBTQ literature, and other topics. Each entry is written by an expert contributor and provides a definition of the genre, an overview of its history, a look at trends and themes, a discussion of how the literary form engages contemporary issues, a review of the genre's critical reception, a discussion of authors and works, and suggestions for further reading. Sidebars provide fascinating details and the set closes with a selected general bibliography. Students will find this book a valuable guide to what they're reading today and will appreciate its illumination of popular culture and contemporary social issues.

Poetry Index Annual, 1991 Inc. Staff. Roth Publishing, Inc. Staff, 1991.

**Radical Feminist Therapy** Bonnie Burstow, 1992-10-08. This is an interesting book. It may be useful for those who have not followed the debate on the experience of women in psychiatric services. It provides useful information on ways of working with more disturbed women. These are women whom psychiatric services often avoid or at least with whom they do little constructive work. The emphasis on offering therapy to these women instead of a bed in an institution was refreshing. Andrea Bennett in *Clinical Psychology Forum*. How can counselors and clinicians help empower women in a sexist, racist, and homophobic society? How can they help women reclaim their bodies? Or repair their violated bond with womenkind? Taking feminist therapy one step further, this enlightening volume focuses on a central problem in our society: violence against women, and explores practical feminist ways of working with women's responses to it: depression, cutting, splitting, troubled eating, and protest. *Radical Feminist Therapy* explores issues that are usually either omitted or pathologized in generalist feminist counseling texts, such as women battered by their pimps, women who self-mutilate, and psychiatrized women. Other topics covered are working with lesbians, American Indian, African American, Jewish, and immigrant women, women with disabilities, working with heterosexual couples, sexual violation by therapists, and working with

suicidal clients A list of recommended readings follows each chapter Radical Feminist Therapy addresses the needs of both students and practitioners in the areas of psychology counseling social work and women s studies who desire a comprehensive enlightening text they will refer to again and again Burstow s book should prove very useful as a resource for practitioners in a wide variety of areas dealing with violence against women The first part of the book presents the theoretical foundations the remaining 12 chapters integrate theory and practice Written from a well articulated radical feminist position the text is grounded in structuralist theory that situates problems in living within the systematic oppressions of classism sexism and racism Respect for women and for their right to make their own decisions in therapy permeates the text Choice This book fills a gap in the literature addressed by no other publication I have seen There are numerous theoretical books on feminist counseling or therapy But I have seen nothing which moves from theory to clear practical suggestions on what to do and how to do it when working with women on different problems Bonnie begins by presenting a clear feminist framework in which she sees violence against women in our society as the central problem in all women s lives She explains how this core issue plays itself out in different areas of women s lives and how it is central to the personal problems women struggle with She then goes on to give practical concrete suggestions about how to actually work with women in therapy She warns readers of common pitfalls and how to avoid them It is an extremely cohesive and useful piece of work Linda Advokaat Feminist Counselor Sessional Instructor Carleton University Ottawa Canada As a presentation of theory translated into casework this is the best I have seen in its field a deft integration of politics and philosophy made relevant and workable in the chosen context Counselling      *A Directory of American Poets and Fiction Writers* Poets & Writers, Incorporated, 2001 This reference includes the names contact information and publication credits of over 7 400 contemporary American poets fiction writers and performance writers The main listings are organized by state and country and include such information as the writers willingness to travel and read and languages of fluency A separate index lists writers by categories of self identification such as race political interest home gender and employment The 2000 2001 edition includes more than 500 new listings and an index of literary agents Annotation c Book News Inc Portland OR booknews com

Whitaker's Books in Print ,1998      A Directory of American Poets and Fiction Writers, 1994-1996 Poets & Writers, Inc, 1994-12 Names and addresses of contemporary poets and fiction writers whose work has been published in the United States      *Chicorel Index to Poetry in Anthologies and Collections in Print, 1975-1979* Marietta Chicorel, 1979      Publishers' Weekly ,1898      **The Unitarian Register** ,1928      *Portland Transcript* ,1854
