Flint,1903 Accountability for Criminal Justice Philip C. Stenning,1995-01-01 Accountability the idea that people governments and business should be held publicly accountable is a central preoccupation of our time Criminal justice already a system for achieving public accountability for illegal and antisocial activities is no exception to this preoccupation and accountability for criminal justice therefore takes on a special significance Seventeen original essays most commissioned for this volume have been collected to summarize and assess what has been happening in the area of accountability for criminal justice in English speaking democracies with common law traditions during the last fifteen years Looking at the issue from a variety of disciplines the authors intent is to explore accountability with respect to all phases of the criminal justice system from policing to parole *Among Our Books* Carnegie Library of Pittsburgh,1915 **The Anthropology of Sport and Human Movement** Robert R. Sands,Linda R. Sands,2010-10-11 The evolution of the human species has always been closely tied to the relationship between biology and culture and the human condition is rooted in this fascinating intersection Sport games and competition serve as a nexus for humanity s innate fixation on movement and social activity and these activities have served throughout history to encourage the proliferation of human culture for any number of exclusive or inclusive motivations money fame health spirituality or social and cultural solidarity The study of anthropology as presented in *Anthropology of Sport and Human Movement* provides a scope that offers a critical and discerning perspective on the complex calculus involving human biological and cultural variation that produces human movement and performance Each chapter of this compelling collection resonates with the theme of a tightly woven relationship of biology and culture of evolutionary implications and contemporary biological and cultural expression **Selected Essays and Letters** National Assessment of Educational Progress (Project),1972 **Keys to Jerusalem** Jerome Murphy-O'Connor,2012-02-23 Jerome Murphy O Connor has lived in Jerusalem for 48 years during which time he has taught graduate students its history and archaeology and also compiled a bestselling archaeological guidebook for visitors The current volume provides an initial survey of the history archaeology and theology of Jerusalem but the twelve articles that make up the body of the book deal with problems that the author feels have not been given a satisfactory solution Thus Murphy O Connor discusses the precise location of a number of important buildings i e the Temple the Antonia and the Capitol and also treat of events in the life of Jesus that are located in Jerusalem his dispute with the money changers in the Temple his agony in the garden of Gethsemane his route from Pilate to Golgotha The previously unpublished chapters dealing with the Christian Quarter are perhaps the most original They describe the creation of the Christian Quarter in 1063 and define its limits relative to the present Old City Its two most important buildings the Holy Sepulchre and the great Hospital of the Knights of St John are treated in great detail The concluding chapter is a classified bibliography of sources for the study of Jerusalem Thoughtfully illustrated with maps photographs and diagrams this book is a mine of information for specialists working on Jerusalem and for the interested reader with some prior knowledge of this fascinating and complex city
