as avoiding bears the book is broken up into six regional chapters the Seacoast Region Boston and Nearby Adventures Central Massachusetts the Pioneer Valley the Berkshires and the Litchfield Hills of Connecticut Within each geographic section adventures are organized in category groupings On Foot On Horseback On Wheels On Water On Snow Ice and In the Air Each chapter has information on Eco Travel and where to Stay Eat as well While the emphasis of this guide is decidedly on the outdoors and on planning a Massachusetts vacation that takes you to the lesser known attractions that the state offers it is actually one of the most comprehensive and delightful guides to the region available While many travel guides contain the obligatory paragraph on each historic attraction and sightseeing venue the Adventure Guide to Massachusetts Western Connecticut artfully leads the traveler to those awe inspiring stimulating and unique excursions that are likely to make for a most memorable trip Detailed maps black and white photos cute graphics and sidebars on special events kid friendly and accessible spots recommended reading and more
