**A Girl's Education** Judith Gill,Katharine Esson,Rosalina Yuen,2016-07-10 This book argues that educators and the general public have become complacent about girls education as a consequence of the more recent fuss about problems for boys After an analysis of persistent disquiet about girls lifestyles it uses theories of gender and education to demonstrate that

girls are being produced in contradictory ways in current schooling Many girls develop a sense of themselves through close connection with friendship groups but schooling processes typically require them to adopt the position of competitors in the end of school rankings and to act out their individualized positions in imagining themselves into the future Ultimately the work offers insight and understanding leading to a less divisive educational pathway for girls

**Schoolwide Collaboration for Transformative Social Emotional Learning** Kristy Hill, Abbie Harriman, Amy Grosso, 2021-08-05 Schools and libraries can make a difference by teaching kids how to identify and cope with emotions how to communicate with confidence and empathy and how to persevere even when things are difficult The authors of this helpful text define transformative social emotional learning and its impact on students and schools They present current brain research to support social emotional programming in a whole school program with collaborative lesson ideas adaptable to all age levels for the use of counselors librarians administrators classroom teachers and all special area teachers All lessons provide lists of extended student and faculty readings Illustrating and highlighting how social emotional programming helps foster and transform the culture of a school to one of belonging and acceptance the authors also provide necessary application lessons for all educators in all areas of a school including ideas for such common areas as playgrounds cafeterias classrooms and libraries and even ideas for implementation by school administrators Research cited predicts desired outcomes including a culture of belonging increased student engagement and achievement and a more compassionate school staff Ideas and activities provided for professional development for educators benefit students and staff alike
