**Military Maverick** Lavinia Greacen, 2025-03-31 Reveals the provocative and irreverent life of Dorman Smith through his private letters and war diary highlighting his military brilliance and conflicts with Churchill A follow up to the best selling biography

Chink this selection from private letters and intimate war diary has the impact of a fresh no holds barred autobiography Dorman Smith the man flesh and blood comes alive here on the page Provocative irreverent caustic and witty his disdain for Churchill and for the Establishment in general increases as his military career unravels Egotistical Yes Arrogant Certainly His own worst enemy Perhaps But Dorman Smith s grasp of tactics and strategy was unsurpassed as his exchanges with Basil Liddell Hart demonstrate Full of contradictions he was externally reserved and inwardly super sensitive Growing up in style in Ireland and educated at public school in England his religion was Catholic and he scorned any Anglo Irish tag His private life while rising up the Northumberland Fusiliers proved colorful while a brief dalliance with the IRA in the 1950s never endangered his vow of silence over the Enigma Ultra secret This book gives a marvellous picture of personal war experience in two world wars from RMC Sandhurst and life in the trenches via the Staff College to high command in Egypt and India between the wars until service in North Africa under Wavell began and working side by side with Auchinleck at the First Battle of El Alamein That would lead to confrontation with Churchill and Brooke and subsequent breakout from Anzio under fire Readers will know what it was like to survive the trenches to serve in HQ as crises arose and to have command involving losses the reality of war is dramatic and moving The First Battle of El Alamein fought under Auchinleck in the emergency that dangerous summer of 1942 was to be followed within three months by Montgomery s celebrated battle and its consequent fame The important argument of Military Maverick however is that First Alamein was the real turning point in the Desert War and that makes Dorman Smith s account even more valuable The letters and diary entries are linked by commentary and explanation by the editor Lavinia Greacen and by the military historian John Lee
