Just Enough Anxiety Robert H. Rosen, 2008-03-13 A psychologist and leadership expert explains how to harness the right level of anxiety Most of us see anxiety as a bad thing so at the first sign of it we try to fight back or run away But according to Robert Rosen this outdated view ignores one of the most powerful forces in business Anxiety helps us concentrate learn relate to people think more creatively and deliver better results Of course too much anxiety causes fear chaos and loss of morale But too little leads to stagnation and a false sense of security It s like a rubber band If you pull it too hard it breaks If you don t pull it hard enough you fail to maximize its potential Finding the happy medium between panic and passivity is the secret to success Drawing on twenty years of research with CEOs Rosen explains how great leaders succeed by living and leading with just enough anxiety He shows how the ability to manage anxiety brings out their own best performance enables them to build great teams and inspires and challenges their organizations Only when we allow ourselves to feel our insecurity discomfort confusion and pain can we reach our potential both as individuals and teams Just Enough Anxiety offers practical guidance to all kinds of organizations blending cutting edge psychology with real world stories of success
