of times and they're like ok bye hope you don't talk to me again I thought girls really digged the whole guy being into them situation Shape, 1995 Killing for Culture David Kerekes, David Slater, 1995 *The Actor* Douglas Gardham, 2014-05 It is 1991 when Ethan Jones finally wins the role of his dreams in an upcoming big screen movie With the envelope holding the script clutched in his hand he arrives at his California apartment where he can hardly wait to tell his girlfriend the exciting news But when he finds the door unexpectedly ajar he has no idea that in just a few seconds the life he has fought so hard to obtain will be shattered Eight years earlier Ethan is attending university in Ottawa Canada One evening after seriously contemplating suicide he finds his way into a club where he meets Mila Monahan a beautiful acting student who saves him from himself After he watches Mila rehearse a university play Ethan catches the acting bug and decides to pursue his own creative passions causing a collision with his more secure ideals But when Mila suddenly disappears Ethan vows he will never stop chasing the dream she inspired in him believing in a world entirely different from the one he is living in *The Actor* is a gripping tale of a young man's unforgettable journey of self discovery in overcoming the trauma of a personal tragedy It is a story of love hardship persistence and overwhelming joy where *The Actor* learns he can portray anything he can imagine Bad Lawyer Anna Dorn, 2021-05-04 Law school was never Anna Dorn's dream It was a profession pushed on her by her parents teachers society whatever It's not the worst thing that can happen to a person as Dorn says law school was pretty cushy and mostly entailed wearing leggings every day to her classes at Berkeley and playing beer pong with her friends at night The hardest part was imagining what it would be like to actually be a lawyer one day But then she'd think of Glenn Close on *Damages* and Reese Witherspoon in *Legally Blonde* and hoped for the best After graduation however Dorn realized that there was nothing sexy about being a lawyer Between the unflattering suits sucking up to old men and spending her days sequestered in a soul sucking cubicle Dorn quickly learned that being a lawyer wasn't everything Hollywood made it out to be Oh and she sucked at it Not because she wasn't smart enough but because she couldn't get herself to care enough to play by the rules *Bad Lawyer* is more than just a memoir of Dorn's experiences as a less than stellar lawyer it's about the less than stellar legal reality that exists for all of us in this country hidden just out of sight It's about prosecutors lying and filing inane briefs that lack any semblance of logic or reason it's about defense attorneys sworn to secrecy until the drinks come out and the stories start flying and it's about judges who drink in their chambers sexually harass the younger clerks and shop on eBay instead of listening to homicide testimony More than anything this book aims to counteract the fetishization of the law as a universe based entirely on logic and reason Exposing everything from law school to law in the media and drawing on Dorn's personal experiences as well as her journalistic research *Bad Lawyer* ultimately provides us with a fresh perspective on our justice system and the people in it and gives young lawyers advice going forward into the 21st century
