Insight for Daily Living Wisdom for the Way , Letters to a Young Psychologist & the Golden Coin: Freud or Jung? Ignacio Solares,2014-07-25 Letters to a Young Psychologist consists of a series of essays in the form of letters As a primer on the subject of psychology it is unique because it comes through the lens of a novelist with insightful references to the junction of psychology and literature Early in the book Solares gives an overview of why the field of psychology fascinates him Vast regions of the human mind havent yet been mapped He encourages the reader I can only hope that you will fall madly in love with psychology I give you these letters thoroughly drenched in that same spirit starting with Freud and ending with the discovery of hypnosis and the volatile introduction of drugs into psychotherapy Solares explores Freud s contributions and limitations and does the same for Jung He also tackles Behaviorism Pragmatism spirituality an entertaining predecessor of Freud Franz Mesmer the use and misuse of drugs in psychological treatment and role of meditation in psychology The Golden Coin Freud or Jung an award winning play features an enlightening and lively intellectual duel between the two famous psychologists of the title one of whom visits the other from the afterlife *Write No Matter What* Joli Jensen,2017-04-28 With growing academic responsibilities family commitments and inboxes scholars are struggling to fulfill their writing goals A finished book or even steady journal articles may seem like an impossible dream But as Joli Jensen proves it really is possible to write happily and productively in academe Jensen begins by busting the myth that universities are supportive writing environments She points out that academia an arena dedicated to scholarship offers pressures that

actually prevent scholarly writing She shows how to acknowledge these less than ideal conditions and how to keep these circumstances from draining writing time and energy Jensen introduces tools and techniques that encourage frequent low stress writing She points out common ways writers stall and offers workarounds that maintain productivity Her focus is not on content but on how to overcome whatever stands in the way of academic writing Write No Matter What draws on popular and scholarly insights into the writing process and stems from Jensen s experience designing and directing a faculty writing program With more than three decades as an academic writer Jensen knows what really helps and hinders the scholarly writing process for scholars in the humanities social sciences and sciences Cut down the academic sword of Damocles Jensen advises Learn how to write often and effectively without pressure or shame With her encouragement writers of all levels will find ways to create the writing support they need and deserve
