Cristelle looked the man directly in the eyes They re my life I won t leave them behind no matter what You don t need to
waste your breath I won t give my babies to you no matter what you say I know you re the father but you ve never done
anything for them before Mr Bradley please let us go We won t see you again Just pretend that we ve never met each other
before Linford looked sad as he whispered No it s not gonna happen I won t allow you to slip away again He paused before
saying softly I ve never wanted to take the babies away from you Cristelle I want to raise them together with you Cristelle s
eyes lit up shortly What is your plan then Linford calmly uttered Candace and Cody need a dad We re their parents and we
need to take our responsibility So let s get married Get married Cristelle was shocked Did he want to marry her The most
powerful billionaire CEO in this city wanted to marry her No I WON T marry you Cristelle could never forget that night She
couldn t stop shuddering every time she thought about it She once belonged to the elite circle however the cruel people
behind them schemed several tricks to drag her entire family into a mud pit First her father was accused of being a corrupt
politician sending him to jail Her mother barely accepts the truth that they were framed and humiliated pushing her to
commit suicide Her youngest sister suddenly disappeared without any trace And she was falsely accused as a whore after

being sent to someone's bed that she thought was her fiancé's bedroom. The schemers robbed everything that belonged to them and she was driven into the deep abyss. Five years later she became a fashion designer, however, a strange man blocked her path, claiming to be her children's father.

Overcoming Love in Wonderland M.B. Vogus, 2021-12-30 Overcoming Love in Wonderland is a humorous Alice in Wonderland story for women who love too much. It's a story of self-discovery as BreAnna tries to leave a bad relationship and emotionally heal. Held captive in her obsession to save Michael, BreAnna, a whimsical woman of 28, awakens after a car accident to find she's in a strange hospital room with a woman caregiver called the White Jacket. The White Jacket learns of BreAnna's painful and unrequited love for Michael, a diabetic pharmacist, and tries to help BreAnna by giving her a book entitled Women Who Love Too Much. Can the book help her to see things more clearly? Will it release her from her love and need to save Michael? While recovering, BreAnna meets the Purple-haired woman, a chain-smoking antagonist snooping through her clothes. The purple-haired woman evilly informs BreAnna where she really is: a quirky mental hospital. The purple-haired woman introduces BreAnna to the other zany patients by their nicknames: Trixie, a teenage prankster who plays with the lights; Antsy, an anxious woman with two ants on her butt; Skeetzo; and Frenik. Spits, a high-fashion pretentious model with a lisp; PJ, a playful old woman who wears pajamas; Nev, a young girl spellbound to a TV that doesn't work; Nympho, a large woman who's obsessed with farting; The Devil, a ghostly child who cries in the closets; Thumper, a woman who beats her head against walls; and the Caregiver, nicknamed the Strait Jacket, a woman who restrains her patients in an effort to restore order in their dysfunctional world. After meeting her fellow patients, BreAnna becomes overwhelmed by their insanity and decides to take the advice of the purple-haired woman and use drugs to mask her pain. Can BreAnna find the strength and courage to separate herself from their craziness before it's too late? Or will their madness
