Lund, 2011-11-22 Ever wonder why the average career in youth ministry is so short lived Its not because the youth minister grows up into real ministry Too often it is because without adequate boundaries the youth minister is swept away burned out or chewed up From someone that has been there author Joel Lund brings the ultimate guide for a healthier ministry and a healthier you **Between a Rock and a Holy Place** Thomas Patrick Nolan, 2025-06-23 Sermons and stories of faith hope and love from the heart of a friend and follower of Jesus With humor and grace these simple but profound writings will lead you into the presence of One whose word brings healing and hope to longing hearts [Giving and Receiving Hospitality \[Youth\]](#) Lori Keller Schroeder, 2010-10-16 The New Testament word for stranger is also translated as host and guest Hospitality is never a one way street but a circle or roundabout that gives and receives The one who invites and the one invited are each in turn host and guest Youth ages 11-15 connect to the faith community through their family or peers Youth sometimes think and behave as older children and sometimes as older youth They need to experience being grounded in a

nurturing congregation that allows room for questioning and doubts Practicing our faith is a lifelong process When completed this series will offer 24 practices in 10 different life settings **Coming Home to Earth** Mark S. Brocker, 2016-09-13 As a young Norwegian Lutheran teenager in rural Wisconsin Brocker lay awake one night worrying whether he believed in Jesus enough to get to heaven This getting to heaven anxiety reflected an excessive focus on individual salvation and a loss of concern for the well being of the Earth community A faith journey that leaves Earth behind is misguided Ever since those early teen years Brocker has been on a journey to come home to Earth Coming Home to Earth makes the case that there is no salvation apart from Earth and that Earth care is at the core of our identity and mission as followers of Jesus The ecological consequences of a loss of concern for the well being of Earth have been devastating Brocker is especially concerned to determine what will motivate followers of Jesus to make radical changes in our way of life so that we can participate in the healing of wounded Earth and all of its inhabitants both human and nonhuman We are far more likely to make needed sacrifices for our fellow creatures if we share God's delight in and affection for them and cherish Earth as our home Christian Justice Julia Ahlers, Michael Wilt, 1995 **National Storytelling Directory** National Storytelling Association, 1995-09 Provides addresses for contacting storytellers production companies and organizations lists educational opportunities and storytelling events and includes essays on the use of storytelling *Connections: A Lectionary Commentary for Preaching and Worship* Joel B.
