thriving center of culture and commerce But along the way the city's future let alone its present prosperity was anything but certain Fort Worth tells the story of how this landlocked outpost on the arid plains of Texas made and remade itself in its early years setting a pattern of boom and bust progress that would see the city through to the twenty first century Harold Rich takes up the story in 1880 when Fort Worth found itself in the crosshairs of history as the cattle drives that had been such an economic boon became a thing of the past He explores the hard fought struggle that followed with its many stops failures missteps and successes beginning with a single minded commitment to attracting railroads Rail access spurred the growth of a modern municipal infrastructure from paved streets and streetcars to waterworks and made Fort Worth the transportation hub of the Southwest Although the Panic of 1893 marked another setback the arrival of Armour and Swift in 1903 turned the city's fortunes once again by expanding its cattle based economy to include meatpacking With a rich array of data Fort Worth documents the changes wrought upon Fort Worth's economy in succeeding years by packinghouses and military bases the discovery of oil and the growth of a notorious vice district Hell's Half Acre Throughout Rich notes the social trends woven inextricably into this economic history and details the machinations of municipal politics and personalities that give the story of Fort Worth its unique character The first thoroughly researched economic history of the city's early years in more than five decades this book will be an invaluable resource for anyone interested in Fort Worth urban history and municipal development or the history of Texas and the West *Short Stories from El Barrio Libre* Dorothy Chapman Acuna, 2009-06 Contains a short biography of Agustin Acu a Mexican American who grew up in the El Barrio Libre in Tucson Arizona as well as short biographical stories written by Agustin Acu a Tales from the Barrio and Beyond Irma María Olmedo, 2023 Feminism on the Border Sonia Saldívar-Hull, 2000-05-09 Sonia Saldívar Hull's book proposes two moves that will no doubt leave a mark on Chicano a and Latin American Studies as well as in cultural theory The first consists in establishing alliances between Chicana and Latin American writers activists like Gloria Anzaldua and Cherrie Moraga on the one hand and Rigoberta Menchu and Domitilla Barrios de Chungara on the other The second move consists in looking for theories where you can find them in the non places of theories such as prefaces interviews and narratives By underscoring the non places of theories Sonia Saldívar Hull indirectly shows the geopolitical distribution of knowledge between the place of theory in white feminism and the theoretical non places of women of color and of third world women Saldívar Hull has made a signal contribution to Chicano a Studies Latin American Studies and cultural theory Walter D Mignolo author of *Local Histories Global Designs Coloniality Subaltern Knowledges and Border Thinking* This is a major critical claim for the sociohistorical contextualization of Chicanas who are subject to processes of colonization our conditions of existence Through a reading of Anzaldua Cisneros and Viramontes Saldívar Hull asks us to consider how the subalternized text speaks how and why it is muted How do testimonio autobiography and history give shape to the literary where embodied wholeness may be possible It is a critical de centering of American Studies and Mexican Studies as usual as she traces our
