Anyone Who's Ever Been a Teenager Who's teenage years weren't terrible Remember the scary older kids The sadistic gym teacher The smelly kid who sat next to you in science class Your first fumbling kiss That time you threw up in the cafeteria Your first attempt at putting on a condom The period that arrived unexpectedly That awful fight with your parents The first time you got drunk That note you wrote that you shouldn't have written The day you forgot to zip your fly That monster zit When you wondered would it all end In When I Was a Loser John McNally author of the novel America's Report Card assembles twenty five original essays often hilarious sometimes tenderhearted always evocative about defining moments of high school loserdom Brad Land Julianna Baggott Owen King Johanna Edwards and many more fresh talented writers explore their own angst humiliation heartache and other staples of teen life These essays perfectly capture what it was like to be in high school to experience so many things for the first time to assert independence while desperately trying to fit in to feel misunderstood and unable to articulate the wild swings between heartbreak anger and euphoria One writer recalls how his grandmother helped him with his home perm in preparation for the Senior Class picture another recounts her discovery sometime after hitting puberty of the power she held over boys and men while at the same time she felt herself at their mercy a third remembers the casual cruelties visited on him by the cooler kids and the cruelties he in turn inflicted on kids below him on the social ladder Utterly candid and compulsively readable these essays conjure up and untangle those raw and formative years The writers cringe and laugh at the teenagers they were but at the same time they honor their adolescence and the way it shaped their lives Because in truth beneath the layers of adult respectability we all still carry a little bit of our teenage selves around with us     The Alumni Grill Suzanne Kingsbury, William Gay, Tom Franklin, Beth Ann Fennelly, 2004 A short story collection highlighting the Blue Moon Caf series veterans Edited by Tom Franklin the acclaimed author of Hell at the Breach and the endlessly talented poet Beth Ann Fennelly As each Blue Moon volume includes new voices the idea of loosing such enormous amounts of talent and stories going untold was too much to bear Alumni Grill keeps a slew of southern talent from slipping out the Caf's back door and in front of fans     *The Mysterious Secret of the Valuable Treasure* Jack Pendarvis, 2011-07-27 This debut collection of stories holds a fun house mirror to the everyday lives of characters as empathetic as they are absurd You've met the characters in The Mysterious Secret of the Valuable Treasure They're the quirky visionaries and misguided dreamers we all know and might even be These characters are absurd hilarious and completely believable From the self appointed historian of the title piece to the frustrated wage slaves of Our Spring Catalog and The Pipe these are individualists who don't quite adhere to mainstream ideals Pendarvis draws his humor from the world of high school ambitions and misunderstood intentions allowed to breathe and take shape Always original but somehow familiar these are stories plugged into the collective unconscious of our imaginary lives Jack Pendarvis's work is difficult to describe but a pleasure to experience infused with humanity and laugh out loud funny Comedic literary talent of this caliber is rare     Man in the Blue Moon Michael Morris, 2012-08-17 He's a gambler at best A con artist at worst her aunt had said of

the handlebar mustached man who snatched Ella Wallace away from her dreams of studying art in France Eighteen years later that man has disappeared leaving Ella alone and struggling to support her three sons While the world is embroiled in World War I Ella fights her own personal battle to keep the mystical Florida land that has been in her family for generations from the hands of an unscrupulous banker When a mysterious man arrives at Ella s door in an unconventional way he convinces her he can help her avoid foreclosure and a tenuous trust begins But as the fight for Ella s land intensifies it becomes evident that things are not as they appear Hypocrisy and murder soon shake the coastal town of Apalachicola and jeopardize Ella s family      Alcohol in Space Chris Carberry,2019-11-06

From the Editor An old friend of mine once said to me You oughta go ahead and get the graveyard people to cut your stone now Have em write on there If this is anything like his life he won t be here long I ve thought a dozen times to get a paperweight size version of that very epitaph I ll get around to it someday Or the graveyard people will Anyway with this short attention span I m blessed with I sat at my breakfast table on an Alabama springtime morning ideas sprouting like the green outside my window and a thought ran by What could we do differently with the Blue Moon Caf anthology Nothing wrong with it the way it is But that s not the point I thought about that little hardback I bought in the Pensacola airport which fit so nicely into my sport coat pocket and which I finished before I completed the loop down and back from the Miami International Book Fair Gabriel Garc a M rquez s *Memories of My Melancholy Whores* I fell so in love with that small volume that I used a couple precious minutes of my allotted seven on the book fair panel to read from the brief work that extends infinitely in my mind Aha Let s make the next Blue Moon Caf book fit into a coat pocket a purse Let s peg the meter with exceptional literary talent Let s give readers less on their plates but more to digest More provocation More beauty horror and sadness More loving insight into the comedy and tragedy of the human situation And readers palates of course will judge the effort Here s betting their decision leads to a long life for this new edition of our book of stories served up from the Blue Moon Caf      Southern Writers on Writing Susan Cushman,2018-05-16
