## **Stories From Today's Russia:**

The Story of Russia Orlando Figes, 2022-09-20 This is the essential backstory the history book that you need if you want to understand modern Russia and its wars with Ukraine with its neighbors with America and with the West Anne Applebaum author of *Twilight of Democracy* and *Red Famine* Named a Most Anticipated Book of the Year by Publishers Weekly and Kirkus Reviews From the great storyteller of Russian history Financial Times a brilliant account of the national mythologies and imperial ideologies that have shaped Russia's past and politics essential reading for understanding the country today *The Story of Russia* is a fresh approach to the thousand years of Russia's history concerned as much with the ideas that have shaped how Russians think about their past as it is with the events and personalities comprising it No other country has reimagined its own story so often in a perpetual effort to stay in step with the shifts of ruling ideologies From the founding of Kievan Rus in the first millennium to Putin's war against Ukraine Orlando Figes explores the ideas that have guided Russia's actions throughout its long and troubled existence Whether he's describing the crowning of Ivan the Terrible in a candlelit cathedral or the dramatic upheaval of the peasant revolution he reveals the impulses often unappreciated or misunderstood by foreigners that have driven Russian history the medieval myth of Mother Russia's holy mission to the world the imperial tendency toward autocratic rule the popular belief in a paternal tsar dispensing truth and justice the cult of sacrifice rooted in the idea of the Russian soul and always the nationalist myth of Russia's unjust treatment by the West How the Russians came to tell their story and to revise it so often as they went along is not only a vital aspect of their history it is also our best means of understanding how the country thinks and acts today Based on a lifetime of scholarship and enthrallingly written *The Story of Russia* is quintessential Figes sweeping revelatory and masterful

## **Russia Today and Conspiracy Theories**

Ilya Yablokov, Precious N Chatterje-Doody, 2021-06-08 The Russian international media outlet Russia Today RT has been widely accused in the Western world of producing government propaganda and conspiracy theories This book explores for the first time the role that conspiracy theories actually play in the network's broadcasts More than this it provides the first ever study of how the Russian government engages with conspiracy theories in the international arena with a particular focus on the use of conspiracy theories as an instrument of public diplomacy RT was established in 2005 to represent Russia to the world and to present a Russian perspective on global events Whilst some of RT's more overtly conspiratorial output has been taken off the air the network remains a source of significant concern for governments and intelligence agencies in Europe and North America Now more than ever policymakers journalists academics and intelligence services alike seek to understand the role RT plays in the Russian government's foreign policy agenda The authors use RT as a case study to investigate how global communication technologies influence the development and dissemination of conspiracy theories which are also an important component of the post Soviet Russian intellectual landscape and Kremlin sponsored political discourse This book will appeal to students and scholars of Politics and International Relations Russian Studies and

Conspiracy Theories     [Soviet Russia Today](#) ,1949     **The hidden story of the collapse of the Red Empire** Pasquale De Marco,2025-08-13 The hidden story of the collapse of the Red Empire is the definitive account of the collapse of the Soviet Union from an economic perspective Pasquale De Marco was a senior official in the Russian government during the 1990s and he was intimately involved in the process of privatizing the Soviet economy In this book Pasquale De Marco provides a unique insider s perspective on one of the most important events of our time He offers valuable insights into the challenges and opportunities facing Russia today The hidden story of the collapse of the Red Empire is essential reading for anyone who wants to understand the collapse of the Soviet Union and its impact on the world It is also a valuable resource for anyone who is interested in the history of Russia the economics of transition or the challenges of building a new democracy In The hidden story of the collapse of the Red Empire Pasquale De Marco argues that the collapse of the Soviet Union was inevitable The Soviet economy was inefficient and unsustainable and the political system was repressive and corrupt The Soviet Union was doomed to fail and its collapse was only a matter of time However Pasquale De Marco also argues that the collapse of the Soviet Union was not a disaster In fact he believes that it was a necessary step in Russia s development The Soviet Union was a failed state and its collapse allowed Russia to start over Russia has made great progress since the collapse of the Soviet Union The country has transitioned to a market economy and it has made significant progress in building a democratic political system However Russia still faces many challenges The country is struggling with corruption inequality and poverty Despite these challenges Pasquale De Marco is optimistic about Russia s future He believes that Russia has the potential to become a prosperous and democratic country However he also believes that Russia needs to learn from the mistakes of the past Pasquale De Marco hopes that The hidden story of the collapse of the Red Empire will help Russians to understand the collapse of the Soviet Union and its impact on the country He also hopes that the book will help Russians to build a better future for their country If you like this book write a review     *World Fiction, Today's Best Stories from All the World* ,1922
