 self contained chapters one for each day of September before the attack on the World Trade Center in New York each
 containing one woman's story The chapters reflect the broadest spectrum of women in order to reflect by their differences
 the worlds they inhabited and how the attack on 11 September affected their lives Despite national and international policies
 aimed at securing equality for women the sad fact is that throughout the world women have achieved at best an uneven and
 insecure equality and in the case of Afghanistan no equality at all With a new political and social order promised in
 Afghanistan dare we hope that the situation will improve Christopher Hilton has interviewed 11 very different women some
 from the West some from Afghanistan to find out what the lives of women involved in the dramatic events of 11 September
 2001 were like and how the attack changed their lives In the stories that emerge we hear the voices of women whose
 ordinary loves were suddenly changed and who became actors in some of the most far reaching events of the modern world

Career Stories Juliette M. Rogers, 2016-11-29 In *Career Stories* Juliette Rogers considers a body of largely unexamined novels from the Belle poque that defy the usual categories allowed the female protagonist of the period While most literary studies of the Belle poque 1880 1914 focus on the conventional housewife or harlot distinction for female protagonists the heroines investigated in *Career Stories* are professional lawyers doctors teachers writers archeologists and scientists In addition to the one well known woman writer from the Belle poque Colette this study will expand our knowledge of relatively unknown authors including Gabrielle Reval Marcelle Tinayre and Colette Yver who actively participated in contemporary debates on women s possible roles in the public domain and in professional careers during this period *Career Stories* seeks to understand early twentieth century France by examining novels written about professional women bourgeois and working class heroines and the particular dilemmas that they faced This book contributes a new facet to literary histories of the Belle poque a subgenre of the bildungsroman that flourished briefly during the first decade of the twentieth century in France Rogers terms this subgenre the female berufsroman or novel of women s professional development *Career Stories* will change the way we think about the Belle poque and the interwar period in French literary history because these women writers and their novels changed the direction that fiction writing would take in post World War I France
