Undoing Monogamy Angela Willey, 2016-04-28 In Undoing Monogamy Angela Willey offers a radically interdisciplinary exploration of the concept of monogamy in U S science and culture propelled by queer feminist desires for new modes of conceptualization and new forms of belonging She approaches the politics and materiality of monogamy as intertwined with one another such that disciplinary ways of knowing themselves become an object of critical inquiry Refusing to answer the naturalization of monogamy with a naturalization of nonmonogamy Willey demands a critical reorientation toward the monogamy question in the natural sciences social sciences and humanities The book examines colonial sexual science monogamous voles polyamory and the work of Alison Bechdel and Audre Lorde to show how challenging the lens through which human nature is seen as monogamous or nonmonogamous forces us to reconsider our investments in coupling and in disciplinary notions of biological bodies A Dictionary of the Avant-Gardes ,2013-05-13 A Dictionary of the Avant Gardes recognizes that change is a driving force in all the arts It covers major trends in music dance theater film visual art sculpture and performance art as well as architecture science and culture Encyclopedia of New Media Steve Jones, 2002-12-10 Scholars and students finally have a reference work documenting the foundations of the digital revolution Were it not the only reference book to cover this emergent field Jones's encyclopedia would still likely be the best CHOICE The articles are interesting entertaining well written and reasonably long Highly recommended as a worthwhile and valuable addition to both science and technology and social science reference collections REFERENCE USER SERVICES QUARTERLY AMERICAN LIBRARY ASSOCIATION From Amazon com to virtual communities this single volume encyclopedia presents more than 250 entries that explain communication technology multimedia entertainment and e commerce within their social context Edited by Steve Iones one of the leading scholars and founders of this emerging field and with contributions from an international group of scholars as well as science and technology writers and editors the Encyclopedia of New Media widens the boundaries of today s information society through interdisciplinary historical and international coverage With such topics as broadband content filtering cyberculture cyberethics digital divide freenet MP3 privacy telemedicine viruses and wireless networks the Encyclopedia will be an indispensable resource for anyone interested or working in this field Unlike many encyclopedias that provide short fragmented entries the Encyclopedia of New Media examines each subject in depth in a single coherent article Many articles span several pages and are presented in a large double column format for easy reading Each article also includes the following A bibliography Suggestions for further reading Links to related topics in the Encyclopedia Selected works where applicable Entries include Pioneers such as Marc Andreesen Marshall McLuhan and Steve Jobs Terms from Access to Netiquette to Web cam Technologies including Bluetooth MP3 and Linux Businesses such as Amazon com Key labs research centers and foundations Associations Laws and much more The Encyclopedia of New Media includes a comprehensive index as well as a reader s guide that facilitates browsing and easy access to information

Recommended Libraries Public academic government special and private corporate Dramaturgy and Architecture Cathy Turner, 2015-09-09 Dramaturgy and Architecture approaches modern and postmodern theatre's contribution to the way we think about the buildings and spaces we inhabit It discusses in detail ways in which theatre and performance have critiqued and intervened in everyday spaces modelled our dreams or fears and made proposals for the future Levy, 2015-10-01 Lou Reed made it his mission to rub people the wrong way whether it was with the noise rock he produced with the Velvet Underground in the late 1960s or his polarizing work with Metallica that would prove to be his swan song On a personal level too he seemed to take pleasure in insulting everyone who crossed his path How did this Jewish boy from Long Island an adolescent doo wop singer rise to the status of Godfather of Punk And how did he maintain that status for decades Dirty Blvd the first new biography of Reed since his death in 2013 digs deep to answer those questions And along the way it shows us the tender side of his prickly personality Born in Brooklyn Reed was the son of an accountant and a former beauty queen but he took the road less traveled trading literary promise for an entry level job as a budget label songwriter and founding the Velvet Underground under the aegis of Andy Warhol The cult of personality surrounding his transformation from downtown agent provocateur to Phantom of Rock and finally to patron saint of the avant garde was legendary but there was more to his artistic evolution than his abrasive public persona The lives of many American rock stars have had no second act but Reed's did Dirty Blvd not only covers the highlights of Reed's career but also explores lesser known facets of his work such as his first recordings with doo wop group the Jades his key literary influences and the impact of Judaism upon his work and his engagement with the LGBT movement Drawing from new interviews with many of his artistic collaborators friends and romantic partners as well as from archival material concert footage and unreleased bootlegs of live performances author Aidan Levy paints an intimate portrait of the notoriously uncompromising rock poet who wrote Heroin Sweet Jane Walk on the Wild Side and Street Hassle songs that transcended their genre and established Lou Reed as one of the most influential and enigmatic American artists of the past half century **Gumption** Nick Offerman, 2016-04-05 After the great success of his autobiography Paddle Your Own Canoe Offerman offers up another hilarious book focusing on the lives of those who inspire him From George Washington to Willie Nelson he describes 21 heroic figures and tells us exactly why they inspire him Combining serious history with light hearted humor Offerman expounds upon his favourite topics which readers love to hear about topics such as religion politics woodworking and handcrafting agriculture creativity philosophy fashion and of course meat **Photography and Collaboration** Daniel Palmer, 2020-09-14 Photography and Collaboration offers a fresh perspective on existing debates in art photography and on the act of photography in general Unlike conventional accounts that celebrate individual photographers and their personal visions this book investigates the idea that authorship in photography is often more complex and multiple than we imagine involving not only various forms of partnership between photographers but also an astonishing array of relationships with

photographed subjects and viewers Thematic chapters explore the increasing prevalence of collaborative approaches to photography among a broad range of international artists from conceptual practices in the 1960s to the most recent digital manifestations Positioning contemporary work in a broader historical and theoretical context the book reveals that collaboration is an overlooked but essential dimension of the medium s development and potential Forthcoming Books After Modern Art 1945-2000 David Hopkins, 2000-09-14 Contemporary art can be baffling and beautiful provocative and disturbing This pioneering book presents a new look at the controversial period between 1945 and 2000 when art and its traditional forms were called into question It focuses on the relationship between American and European art and challenges previously held views about the origins of some of the most innovative ideas in art of this time Major artists such as Jackson Pollock Jasper Johns Yves Klein Andy Warhol Louise Bourgeois Cindy Sherman and Damien Hirst are all discussed as is the art world of the last fifty years Important trends are also covered including Abstract Expressionism Pop Art Minimalism Conceptualism Postmodernism and the art of the nineties The Rough Guide to Rock Peter Buckley, 2003 Compiles career biographies of over 1 200 artists and rock music reviews written by fans covering every phase of rock from R B through punk and rap **Trouble Girls** Barbara O'Dair,1997 Essays by leading music critics look at the most important female rock musicians singers and groups with profiles of Bonnie Raitt Carol King Tina Turner Janis Joplin Madonna and many others After Modern Art David Hopkins, 2018 A beautifully illustrated new edition of this pioneering study of art since 1945 Focussing mainly on the relationship between American and European Art this book offers an up to date introduction to the major artists and movements of recent years New Theatre Quarterly 77: Volume 20, Part 1 Simon Trussler, Clive Barker, 2006-05-18 Provides an international forum where theatrical scholarship and practice Stories from the Nerve Bible Laurie Anderson, 1994 American Countercultures: An Encyclopedia of can meet Nonconformists, Alternative Lifestyles, and Radical Ideas in U.S. History Gina Misiroglu, 2015-03-26 Counterculture while commonly used to describe youth oriented movements during the 1960s refers to any attempt to challenge or change conventional values and practices or the dominant lifestyles of the day This fascinating three volume set explores these movements in America from colonial times to the present in colorful detail American Countercultures is the first reference work to examine the impact of countercultural movements on American social history It highlights the writings recordings and visual works produced by these movements to educate inspire and incite action in all eras of the nation s history A Z entries provide a wealth of information on personalities places events concepts beliefs groups and practices The set includes numerous illustrations a topic finder primary source documents a bibliography and a filmography and an index Stories from the Nerve Bible Laurie Anderson, 1994 Spanning two decades in the career of Laurie Anderson a biography of the performance artist draws on her performances radio broadcasts and public service announcements By the author of Empty Places 30 000 ad promo Tour Reading Autobiography Sidonie Smith. 2001 Reading Autobiography Now Sidonie
