again discovering often too late the high price of citizenship Here a glass jar can hold memories and nightmares a woman s newborn child can plot murder and a man s skeleton can war against him Here there is no escaping the dark stranger who lives upstairs or the reaper who wields the world Each of these stories is a wonder imagined by an acclaimed tale teller writing from a place shadows But there is astonishing beauty in these shadows born from a prose that enchants and enthralls Ray Bradbury s The October Country is a land of metaphors that can chill like a long after midnight wind as they lift the reader high above a sleeping Earth on the strange wings of Uncle Einar The Vintage Bradbury Ray Bradbury,1979-10-12
