## Stories Of Righteousness:

The Story of Romans A. Katherine Grieb, 2002-09-30 A Katherine Grieb insightfully traces the argument of Paul's letter to the Romans and shows how it is grounded in the story of God's faithfulness to Israel. She draws together a number of crucial insights: the narrative character of Paul's thought, the apocalyptic message of his gospel, the depth of his engagement with Israel's Scripture, and the practical and political impact of his theology. She demonstrates the letter's relevance today and invites contemporary readers to locate their own stories within Paul's account of God's righteousness. Informed by recent Pauline scholarship, this book will be useful to scholars, students, and pastors.

*Trial Stories in Jewish Antiquity* Chaya T. Halberstam, 2025-05-15 What can early Jewish courtroom narratives tell us about the capacity and limits of human justice? By exploring how judges and the act of judging are depicted in these narratives, *Trial Stories in Jewish Antiquity* Counternarratives of Justice challenges the prevailing notion both then and now of the ideal impartial judge. As a work of intellectual history, the book also contributes to contemporary debates about the role of legal decision making in shaping a just society. Chaya T. Halberstam shows that instead of modelling a system in which lofty, inaccessible judges follow objective and rational rules, ancient Jewish trial narratives depict a legal practice dependent upon the individual judge's personal relationships, reactive emotions, and impulse to care. Drawing from affect theory and feminist legal thought, Halberstam offers original readings of some of the most famous trials in ancient Jewish writings alongside minor case stories in Josephus and rabbinic literature. She shows both the consistency of a counter tradition that sees legal practice as contingent upon relationship and emotion and the specific ways in which that perspective was manifest in changing times and contexts.

Running after Righteousness ANDREA GAYLE FLOHR,2025-07-30 Running after Righteousness A 25 Day Advent Journey toward Jesus was born of the author s incessant need to find an Advent devotional to minister to her weary heart at Christmas time Andrea Flohr longs to point readers to the One who is Righteousness and the true meaning of the season Through twenty five days of devotionals readers may embrace wholeheartedly their actual Christmas full of joy unspeakable regardless of their circumstances This book pounds the truth of Christmas to a weary world which so easily falls prey to the superficial joy stealers of the season Using nontraditional Advent characters Andrea Flohr integrates Bible stories of old along with the nativity loved by all telling the beautiful story from creation to the cross with a midway stop at the manger Individuals will journey each day to seek the Savior in a new way with practical advice biblical exhortation and a daily activity to point hearts back to the whole point of it all Jesus      Ninety Biblical Story Lessons for Adults Jim Roché,2024-03-13 How would new untrained Christians kindly and humbly introduce God to their non Christian friends What if neither the Christian nor the non Christian could learn from printed materials such as pamphlets books or the Bible itself What if the new Christian was usually alone and untrained in a community hostile to Christian beliefs How could these new Christians continue the process of reproducing spiritual generations without first being fully taught themselves The strategy offered here is to tell biblical stories that can be easily retold Stories that revealed God s acts and perspectives leading to questions and discussion Stories that caused new listeners to question their own beliefs You re holding a collection of ninety stories designed to be retold by anyone thirty Old Testament stories chronologically arranged from creation to the return from Israel s exile thirty Gospel stories from the announcement of Jesus birth to his ascension to heaven and thirty stories from the New Testament from Pentecost to Jesus return from heaven to earth Each lesson is built upon the principles from Roche s first book Biblical Storytelling Design Understanding Why Oral Stories Work but modeled and explained in this book      Who Are the Righteous? Denise Powell,2021-09-28 Who is righteous and how one becomes righteous is a question often debated in

Pauline studies but rarely explored in the Gospels In this book Denise Powell investigates Luke's answer to the question by tracing his righteous characters sequentially through the Gospel narrative By portraying Zechariah and Elizabeth Mary Simeon and Anna as righteous at the beginning of the narrative Luke establishes the characteristics of the righteous As a result of the primacy effect these birth narrative characters become the standard against which the righteous nature of subsequent characters is measured This leads to uncertainty over who belongs in the category of the righteous when later stories contrast an ostensibly righteous character with a sinner The increasing uncertainty over who belongs in which category functions as the backdrop for the centurion's declaration that Jesus is righteous By way of the sword discourse of 22:35-38 and the subsequent arrest scene Jesus intentionally places himself in the sinner category in fulfilment of Scripture Since Jesus has placed himself in solidarity with sinners and they with him the centurion's declaration that Jesus is righteous has implications for all the sinners in the Lukan story Tales of the Righteous, 2011 Throughout the generations Jews have been inspired and guided by the tales of gedolim our great masters of piety and wisdom Simcha Raz's Tales of the Righteous newly translated by Rabbi Dov Peretz Elkins brings the lives of these masters to life Raz's pithy vignettes and awe inspiring tales show that together with their brilliance in Torah study these rabbis were also paragons of sensitive ethical behaviour

Walton, Kim E. Walton, 2010-09-03 How do Sunday school teachers lead children through the stories of Cain and Abel or Judas's betrayal in a way that reflects the authority of Scripture Sunday school curricula often

glosses over difficult lessons or focuses too much on characters in Bible stories neglecting God's self-revelation in Scripture. John and Kim Walton have created this handbook for 175 Bible stories to assist teachers and parents in knowing what each story teaches and how to present it in a God-centered way. As they work their way through the Bible, the Waltons examine seven elements in each story: focus, theme, application, place in the Bible, interpretational issues, historical and cultural background, and age group appropriateness. The Bible Story Handbook includes introductory articles on why we teach the Bible, right and wrong ways to use the Bible, and ends with a two-year teaching plan. Every parent and Sunday school teacher will find this unique resource to be invaluable in teaching children to know and love God.

**Unlocking the Bible Story: Old Testament Volume 1** Colin S. Smith, 2016-12-01. For all who are wondering how the pieces fit into the jigsaw of God's revelation, Colin Smith has provided an answer which is refreshingly simple, biblically accurate, and will prove phenomenally helpful to the serious Bible student and the new beginner alike. Alistair Begg, senior pastor, Parkside Church. In *Unlocking the Bible Story*, Colin Smith moves gradually through portions of the Bible to explain how it all holds together. He tells God's one grand story of salvation and reflects on major themes along the way. In volume 1, he moves through the Pentateuch and Historical Books of the Old Testament, which tell the story of God creating the world, choosing a people for Himself, and loving them despite their continued sin. Includes the study guide formerly sold separately. One of the most urgent needs in the church today is for a crisp and comprehensive knowledge of the Bible's storyline. To grasp how the sacred history moves from Genesis to Revelation, not only brings fresh insight into how the Bible hangs together and what each part contributes to the whole, but also is crucial for developing a Christian worldview. Colin Smith has met these needs admirably. I hope these volumes will circulate widely and be read and re-read. D. A. Carson, research professor, New Testament at Trinity Evangelical Divinity School, cofounder of The Gospel Coalition.
