

**With Green Eggs
And Ham, You'll
Also Meet Sneetches
And Zax...It's A Triple Treat!**

With the Cat in the Hat as your host, this music-filled triple treat from Dr. Seuss is sure to bring triple smiles! You'll laugh at the story of Sam-I-Am, whose favorite dish is Green Eggs and Ham. But be warned: Sam likes to share his Green Eggs and Ham with everyone...and he doesn't take NO for an answer! You'll also meet the very prejudiced Sneetches who live on the beaches, and the stubborn old Zax on the prairie of Prax.

Dr. Seuss personally adapted all three stories from his beloved, best-selling books. He even wrote the lyrics to all the fun songs, such as "Toast to Your Belly Star", "Sneetches" and "Green Eggs and Ham". *Caten, Approx. 30 min.*

Violence and

Colonial Dialogue Tracey Banivanua Mar, 2006-12-31 During the post abolition period a trade in cheap and often cost neutral labor flourished in the western Pacific For more than forty years it supplied tens of thousands of indentured laborers to the sugar industry of northeastern Australia Violence and Colonial Dialogue tells the story of its impact on the people who were traded From the beaches and shallows of the Pacific s frontiers to the plantations and settlements of Queensland and beyond a collective tale of the pioneers of today s Australian South Sea Island community is told through an abundant and effective use of materials that characterize the colonial record including police registers court records prison censuses administrative reports legislative debates and oral histories With a thematic focus on the physical violence that was central to the experience of people who were voluntarily or involuntarily recruited the history that emerges is a powerful tale that is at once both tragic and triumphant Violence and Colonial Dialogue also tells a more universal story of colonization Set mostly in the British settler colony of Queensland during the last forty years of the nineteenth century it explores the brutality embedded in the structures of a colonial state while attempting to recover the stories that such processes obscured
