The Practice and Other Stories and Selected Poems Jack Henry Markowitz, 2005-04-18 In this volume of The Practice and Other Stories a collection of short stories and selected poems I tried to write with some satiric wit and Jewish humor about working class New York characters that I had observed during my growing up years in Brooklyn from the 1950 s to 1970 s I have been greatly influenced by the movies and I try to turn a satiric camera eye on the details of every day life This collection of five short stories and 4 poems represents my continued appreciation for the short story format Blind Man is the result of my childhood recollections of being forced to visit with various family members in the exotic to me borough of the Bronx It is a story of starry eyed youth on the threshold of lost innocence and the discovery for better or worse of a much wider world The Visit is a story about enduring family bonds despite conflicting world views and value systems The Practice which was first published in the Jewish Digest January 1971 is a story about the confluence of mysticism superstition and science in the life of a Brighton Beach family doctor whose old world clients see him as more of a shaman than a physician The Fundraiser is a story about an older working man caught between his need to earn a living in a profession he has come to detest and the realization that he needs to find a better way of life Coney Island Limey is a story based loosely on the real life antics of an eccentric chap from Liverpool who sneaks into

America under rather dubious circumstances and who then tries to ingratiate himself into the good graces of a rather naïve Brooklyn family of misfits in hopes of wedding their beautiful if somewhat clueless daughter The four poems are included in this collection because they are four of my personal favorites In addition to several years working in sales for Rizzoli Editore Prudential and John Hancock I also worked at various times a public relations consultant for various business and non profit clients as well as a public relations consultant and writer for several governmental entities such Brooklyn Borough President Sebastian Leone and the New York State Consumer Protection Board during the administration of Gov Hugh Carey My resume also includes several stints in New York and New Jersey as a fundraiser for the Council of Jewish Federations and the United Jewish Appeal After earning my MSW from Temple University I went to work in the field of child welfare for both the New York City and City of Philadelphia Departments of Human Services During my undergraduate years at Hamilton College I studied creative writing with Wallace Markfield To An Early Grave Teitlebaum's Window and with Alex Haley Roots The Autobiography of Malcolm X Today I make my home in Philadelphia where I continue to work and write As a callow youth of twenty I dreamed of taking the literary world by storm I was greatly influenced by the works of Mark Twain O Henry Sholem Aleichem Edgar Allen Poe Bernard Malamud Jack Kerouac Mario Puzo William Faulkner Eugene O Neil William Saroyan Philip Roth William Shakespeare Isaac Bashevis Singer and Wallace Markfield I was equally moved by the poetry of such great poets as Lord Byron John Keats Percy Shelly Dylan Thomas Paul Verlaine Arthur Rimbaud Charles Baudelaire and Allen Ginsberg Equally important to my development as a writer are the works of Albert Camus Jean Paul Sartre Andre Gide Andre Malraux and Eugene Ianesco Cinematic influences include David Lean the French New Wave auteurs such as Jean Luc Goddard and Francois Truffaut the comedic geniuses of Charles Chaplin Buster Keaton Jerry Lewis and Jacques Tati the American masters such as Francis Ford Copolla Martin Scorsese George Lucas and Stephen Spielberg With this collection of short stories and selected poems I may not have taken *A Kiss for a Blow, Or, A Collection of Stories for Children* Henry Clarke Wright, 1853 *Charity Bites!: The Untold Stories of the Dog-Eat-Dog World of Autism Activism*, *Inbound Content* Justin Champion, 2018-04-16 Develop and implement an effective content strategy tailored to your business's needs Inbound Content is a step by step manual for attracting the right people turning them into leads and closing them into customers Today everyone knows that content is king It's how we engage how we inform and how we pass the time content is everywhere and if you're not leveraging its power to promote your business you've already been left behind Having a website and social media is not enough if you truly want to take advantage of unprecedented levels of connectedness you have to create content that draws customers in It's not about blindly expanding reach it's about reaching out to the right audience Today's marketplace is no longer about chasing the sale with the right approach to content your customers will come to you Your content must be valuable relevant and consistent but how should it be implemented at the actual content creation level This book shows you how to develop a unified strategy create compelling content tailored to your needs and utilize that
