Storm Over The Land A Profile Of The Civil War:

Storm Over the Land Carl Sandburg,1995 **Storm Over the Land. A Profile of the Civil War. Taken Mainly from Abraham Lincoln: the War Years, Etc. [With Plates, Including Portraits, and with Maps.].** Carl SANDBURG,1942 **Storm Over the Land** Carl Sandburg,1939 *Storm Over the Land* Carl Sandburg,1942 Storm Over the Land Carl Sandburg,2015-10-20 Writings on the American Civil War selected from the Pulitzer Prize winning presidential biography Abraham Lincoln The War Years with illustrations and maps Drawn from Carl Sandburg s magisterial biography of the sixteenth US president this volume focuses in on the War Between the States bringing the author s trademark clarity and vivid style to this dark and dramatic period in the nation s history Moving from Sumter to Shiloh Antietam to Gettysburg **Storm Over the Land** is a classic chronicle of this bloody conflict richly illustrated with halftones and drawings **Anthropologists in the Stock Exchange** Marc Flandreau,2016-09-19 Uncovering strange plots by early British anthropologists to use scientific status to manipulate the stock market **Anthropologists in the Stock Exchange** tells a provocative story that marries the birth of the social sciences with the exploits of global finance Marc Flandreau tracks a group of Victorian gentleman swindlers as they shuffled between the corridors of the London Stock Exchange and the meeting rooms of learned society showing that anthropological studies were integral to investment and speculation in foreign government debt and inversely that finance played a crucial role in shaping the contours of human knowledge Flandreau argues that finance and science were at the heart of a new brand of imperialism born during Benjamin Disraeli s first term as Britain s prime minister in the 1860s As anthropologists advocated the study of Miskito Indians or stated their views on a Jamaican rebellion they were in fact catering to the impulses of the stock exchange for their own benefit In this way the very development of the field of anthropology was deeply tied to issues relevant to the financial market from trust to corruption Moreover this book shows how the interplay between anthropology and finance formed the foundational structures of late nineteenth century British imperialism and helped produce essential technologies of globalization as we know it today

Frederick Douglass Philip S. Foner,Yuval Taylor,2000-04-01 One of the greatest African American leaders and one of the most brilliant minds of his time Frederick Douglass spoke and wrote with unsurpassed eloquence on almost all the major issues confronting the American people during his life from the abolition of slavery to women s rights from the Civil War to lynching from American patriotism to black nationalism Between 1950 and 1975 Philip S Foner collected the most important of Douglass s hundreds of speeches letters articles and editorials into an impressive five volume set now long out of print Abridged and condensed into one volume and supplemented with several important texts that Foner did not include this compendium presents the most significant insightful and elegant short works of Douglass s massive oeuvre **The Birth of the FBI** Willard M. Oliver,2019-07-16 Most people believe the Federal Bureau of Investigation began under J Edgar Hoover in the 1920s or 1930s Many also naturally assume it was developed for the express purpose of fighting crime However the

reality is very different The reality is it began years earlier in 1908 under President Theodore Roosevelt In *The Birth of the FBI* Teddy Roosevelt the Secret Service and the Fight Over America's Premier Law Enforcement Agency Willard Oliver details the political fight that led to the birth of America's premier law enforcement agency Roosevelt was concerned about conservation and one issue he wanted enforced were the fraudulent land deals being perpetrated by many people including some members of Congress When he began using the Secret Service to investigate these crimes Congress blocked him from doing so The end result of this political spat was Roosevelt's creation of the FBI which heightened the political row between the two branches of government in the final year of Roosevelt's presidency The truth of the matter is the premier law enforcement agency in the United States was actually created because of a political fight between the executive and legislative branches of government *The Birth of the FBI* reveals the true story behind the birth of the FBI and provides some useful insight into an important part of our American history
