Waddell, 2007-09-01 In July 1903 a British expedition secretly entered the forbidden land of Tibet which was off limits to Europeans Their journey was an adventure through an ancient storied war torn land and this is the firsthand account first published in 1905 of the mission's cultural expert From the expedition's treacherous crossing of the Himalayas to its bitter wintering in a land of frosted landscapes from encounters with the Tibetan army to meetings with monks and sorcerers this is a rousing account of travels through a legendary magic infused place one that offers a gripping personal eye on the turn of the 20th century political chess match of intrigue and espionage played on the gameboard of the Near East that Kipling termed the Great Game Complete with numerous photos illustrations charts and informative appendices this is a must reading for anyone fascinated by the mysterious realm of Tibet British archaeologist and Orientalist LAURENCE AUSTINE WADDELL 1854 1938 also wrote The Buddhism of Tibet or Lamaism 1894 and Among the Himalayas 1899 The North American Journals of Prince Maximilian of Wied Prince Alexander Philipp Maximilian of Wied, 2014-04-09 Few historical chronicles are as informative and eloquent as the journal written by Prince Maximilian of Wied as a record of his journey into the North American interior in 1833 following the route Lewis and Clark had taken almost thirty years earlier Maximilian's memorable descriptions of topography Native peoples and natural history were further brought to life through the now familiar watercolors and sketches of Karl Bodmer the young Swiss artist who accompanied him The first of the three volumes of the North American Journals recounts the prince s journey from Europe to St Louis then the edge of the frontier Volume II vividly narrates his experiences on the upper Missouri and offers an unparalleled view of the region and the peoples native to it In these pages we accompany Maximilian as he travels far up the Missouri River to Fort McKenzie a trading post some 2 500 river miles from St Louis near what is now Fort Benton Montana The handsome oversize volume not

only reproduces this historic document but also features every one of Maximilian's illustrations more than 200 in all including nearly 50 in color from the original journal now housed at Joslyn Art Museum in Omaha Nebraska Maximilian recorded detailed observations of flora fauna geology and climate From his unique scientifically trained perspective he also undertook a serious field study of the cultures and languages of the central and northern Great Plains Indians he encountered His journal contains important firsthand descriptions of tribal social customs religious rituals material culture and art as well as an account of Native interactions with Euro Americans engaged in the then burgeoning fur trade This book is published with the assistance of the National Historical Publications and Records Commission **Lhasa and its Mysteries** L. Austine Waddell, 2018-08-06 First published in 1906 this volume emerged three years after the British expedition across the Alps to Lhasa in which the author took part and provided a first hand British account of the mission The expedition also known as the British Invasion of Tibet was intended to counter perceived Russian Imperial interests in access to India through Tibet Its leaders did not anticipate the intention of Tibetans to resist the mission The expedition allowed L Austine Waddell who had the opportunity to learn of Tibet during a previous posting at Darjeeling to provide a first hand account of Central Tibet its capital at Lhasa its Grand Lama religious hierarchy and its culture through following the narrative of the controversial British expedition Despite the region s historic relations with Asia Europeans had previously had more difficulty accessing the country and its culture This volume was the third edition in two years having been made more accessible to accommodate for its favourable reception by the British public Visual Education ,1920 Documents of the Assembly of the State of New York New York (State).
