When Storms Come Thomas E. Dow, 2010-01-06 Tom Dow asserts that Job does not go through his trials to somehow improve him He is being tried by Satan who seeks to break Job's and God's trust in one another When that trust survives the worst that Satan and insensitive friends can do both Job and God are vindicated When Storms Come shows how the book of Job can be related to New Testament teaching and how it can be a great help to people experiencing suffering and stress It also serves as a resource for people ministering to those going through the storms of life *Storm Data* United States.
