from antiquity to the present      **From Sacrament to Contract** John Witte, 2012-01-01 This newly revised and enlarged edition of John Witte's authoritative historical study explores the interplay of law, theology, and marriage in the Western tradition. Witte uncovers the core beliefs that formed the theological genetic code of Western marriage and family law. He explores the systematic models of marriage developed by Catholics, Lutherans, Calvinists, Anglicans, and Enlightenment thinkers and the transformative influence of each model on Western marriage law. In addition, he traces the millennium-long reduction of marriage from a complex spiritual, social, contractual, and natural institution into a simple private contract with freedom of entrance, exercise, and exit for husband and wife alike. This second edition updates and expands each chapter and the bibliography. It also includes three new chapters on classical biblical and patristic sources.

**Marriage in Ireland, 1660-1925** Maria Luddy, Mary O'Dowd, 2020-06-25 What were the laws on marriage in Ireland and did church and state differ in their interpretation? How did men and women meet and arrange to marry? How important was patriarchy and a husband's control over his wife? And what were the options available to Irish men and women who wished to leave an unhappy marriage? This first comprehensive history of marriage in Ireland across three centuries looks below the level of elite society for a multifaceted exploration of how marriage was perceived, negotiated, and controlled by the church and state as well as by individual men and women within Irish society. Making extensive use of new and underutilised primary sources, Maria Luddy and Mary O'Dowd explain the laws and customs around marriage in Ireland. Revising current understandings of marital law and relations, *Marriage in Ireland 1660-1925* represents a major new contribution to Irish historical studies.

Colson, Nancy Pearcey, 2001 Each of these three books: *Developing a Christian Worldview of Science and Evolution*, *Developing a Christian Worldview of the Problem of Evil*, and *Developing a Christian Worldview of the Christian in Today's Culture* is drawn from Colson's highly successful *How Now Shall We Live*. Each chapter begins with pre-reading questions, and each study session is made up of newly written discussion questions, role

playing activities and challenges to implement key insights All are designed to help readers grasp Colson s arguments and learn how to use the points effectively with non Christians
