The Catholic Church And The Soviet Government 1939-1949:

The Catholic Church and the Soviet Government, 1939-1949 Dennis J. Dunn, 1977 [The Catholic Church and Soviet Russia, 1917-39](#) Dennis Dunn, 2016-11-18 This book based on extensive research including in the Russian and Vatican archives charts the development of relations between the Catholic Church and the Soviet Union from the Bolshevik Revolution of 1917 to the death of Pope Pius XI in 1939 It provides background information on the animosity between the Orthodox and Catholic churches and moves towards reconciliation between them discusses Soviet initiatives to eradicate religion in the Soviet Union and spread atheist international communism throughout the world and explores the Catholic Church's attempts to survive in the face of persecution within the Soviet Union and extend itself Throughout the book reveals much new detail on the complex interaction between these two opposing bodies and their respective ideologies [The Catholic Church and Russia](#) Dennis J. Dunn, 2017-05-15 This unique account of Russia's encounter with Catholicism from the medieval period to the present provides fascinating insights into Catholic Russian relations Dennis Dunn analyzes religious politics in the former USSR and in Russia particularly in areas where relations between the state backed Orthodox establishment and the Catholic Church have renewed debates about civil rights religious freedom and Russian national identity under Vladimir Putin's regime Discussing issues such as the role of Pope John Paul II in helping to bring down the Iron Curtain Dunn argues provocatively that Catholic Russian relations are a microcosm of Western Russian relations and sheds new light on the historical strain between Russia and the West Showing how Russia's adoption of a secular ideology a vain attempt to surpass the West alienated the Russian government not only from the Catholic Church but also from its own Orthodox foundation this book discusses how Russia sealed its fate while precipitating the Cold War with the West Students and general readers interested in Russian history Western Russian relations Catholicism and comparative religion more broadly will find this an invaluable and accessible account of an important and understudied subject [Catholicism and Politics in Communist Societies](#) Sabrina P. Ramet, 1990 This book is volume two of a three volume work *Christianity Under Stress* which focuses on the experiences of Christian churches in contemporary communist and socialist societies In this volume a distinguished group of experts examines the changing relationship of the Catholic church to contemporary communist and socialist societies in Eastern Europe Latin America and Asia Catholicism has on the one hand traditionally regarded earthly life as of secondary importance as an instrument of spiritual transformation and on the other has ascribed great value to the early institutions of the church taking great interest in temporal matters that affects its institutional concerns Against the backdrop of this duality the church has changed over the centuries adapting to local and national conditions *Catholicism and Politics in Communist Societies* surveys these local and national adaptations in their historical contexts linking the past experience of the church to its present circumstances Organized around themes of tradition vs modernity hierarchy vs lower clergy and institutional structure vs grass roots organization this comprehensive volume

presents a detailed country by country portrait of the political and social status of the church today in communist and socialist settings Contributors Pedro Ramet Arthur F McGovern Roman Solchanyk Ivan Hvat Robert F Goeckel C Chrypinski Milan J Reban Leslie Laszlo Janice Broun Eric O Hanson Stephen Denney Thomas E Quigley Humberto Belli Hansjakob Stehle George H Williams **Problems of Communism** ,1978 **The Pius War** Joseph Bottum,David G. Dalin,2010-03-16

In the brutal fight that has raged in recent years over the reputation of Pope Pius XII leader of the Catholic Church during World War II the Holocaust and the early years of the Cold War the task of defending the Pope has fallen primarily to reviewers These reviewers formulated a brilliant response to the attack on Pius but their work was scattered in various newspapers magazines and scholarly journals making it nearly impossible for the average reader to gauge the results In *The Pius War* Weekly Standard s Joseph Bottum has joined with Rabbi David G Dalin to gather a representative and powerful sample of these reviews deliberately chosen from a wide range of publications Together with a team of professors historians and other experts the reviewers conclusively investigate the claims attacking Pius XII *The Pius War* and a detailed annotated bibliography that follows will prove to be a definitive tool for scholars and students destined to become a major resource for anyone interested in questions of Catholicism the Holocaust and World War II *Caught between Roosevelt and Stalin* Dennis J. Dunn,2021-12-14 On November 16 1933 Franklin D Roosevelt and Soviet Commissar of Foreign Affairs Maxim Litvinov signed an agreement establishing diplomatic ties between the United States and the Soviet Union Two days later Roosevelt named the first of five ambassadors he would place in Moscow between 1933 and 1945 *Caught between Roosevelt and Stalin* tells the dramatic and important story of these ambassadors and their often contentious relationships with the two most powerful men in the world More than fifty years after his death Roosevelt s foreign policy especially regarding the Soviet Union remains a subject of intense debate Dennis Dunn offers an ambitious new appraisal of the apparent confusion and contradiction in Roosevelt s policy one moment publicizing the four freedoms and the Atlantic Charter and the next moment giving tacit approval to Stalin s control of parts of Eastern Europe and northeast Asia Dunn argues that Rooseveltism the president s belief that the Soviet Union and the United States were both developing into modern social democracies blinded Roosevelt to the true nature of Stalin s brutal dictatorship despite repeated warnings from his ambassadors in Moscow Focusing on the ambassadors themselves William C Bullitt Joseph E Davies Laurence A Steinhardt William C Standley and W Averell Harriman Dunn details their bruising arguments with Roosevelt over the president s repeated concessions to Stalin Using information uncovered during extensive research in the Soviet archives Dunn reveals much about Stalin s policy toward the United States and demonstrates that in ignoring his ambassadors good advice Roosevelt appeased the Soviet leader unnecessarily Sure to generate new discussion concerning the origins of the Cold War this controversial assessment of Roosevelt s failed Soviet policy will be read for years to come **Religion and Power in Europe** Joaquim Carvalho,2007 **Nihil Obstat** Sabrina P. Ramet,1998 Politics religion and social change in the post

communist world of Eastern Europe and Russia *Law and Religion in Post-communist Europe* Silvio Ferrari, Elizabeth A. Sewell, Elizabeth A. Clark, 2003 This book is the first comprehensive description of the Church State systems that are in force in the post Communist countries of Central and Eastern Europe The reports it contains are structured along similar lines so that analogies and differences of the national legal systems can easily be identified and no significant profile of Church and State relations is overlooked After a short historical and sociological introduction each report deals with issues like registration of religious organizations financing of Churches religious education in public schools etc **A Companion to Europe Since 1945** Klaus Larres, 2014-01-28 A Companion to Europe Since 1945 provides a stimulating guide to numerous important developments which have influenced the political economic social and cultural character of Europe during and since the Cold War Includes 22 original essays by an international team of expert scholars Examines the social intellectual economic cultural and political changes that took place throughout Europe in the Cold War and Post Cold War periods Discusses a wide range of topics including the Single Market European American relations family life and employment globalization consumption political parties European decolonization European identity security and defence policies and Europe s fight against international terrorism Presents Europe in a broad geographical conception to give equal weighting to developments in the Eastern and Western European states **Cold War Mary** Peter Jan Margry, 2021-01-28 One hardly known but fascinating aspect of the Cold War was the use of the holy Virgin Mary as a warrior against atheist ideologies After the Second World War there was a remarkable rise in the West of religiously inflected rhetoric against what was characterised as godless communism The leaders of the Roman Catholic Church not only urged their followers to resist socialism but along with many prominent Catholic laity and activist movements they marshaled the support of Catholics into a spiritual holy war In this book renowned experts address a variety of grassroots and Church initiatives related to Marian politics the hausse of Marian apparitions during the Cold War period and the present day revival of Marian devotional culture By identifying and analysing the militant side of Mary in the Cold War context on a global scale for the first time Cold War Mary will attract readers interested in religious history history of the Cold War and twentieth century international history *A History of Orthodox, Islamic, and Western Christian Political Values* Dennis J. Dunn, 2016-09-13 The book reveals the nexus between religion and politics today and shows that we live in an interdependent world where one global civilization is emerging and where the world s peoples are continuing to coalesce around a series of values that contain potent Western overtones Both Putin s Orthodox Russia and regions under the control of such Islamist groups like ISIS and Al Qaeda resent and attempt in a largely languishing effort to frustrate this series of values The book explains the current tension between the West and Russia and parts of the Muslim world and sheds light on the causes of such crises as the Syrian Civil War Russia s aggression against Ukraine and acts of terrorism such as 9 11 and the ISIS inspired massacres in Paris It shows that religion continues to affect global order and that knowledge of its effect on political identity and global governance should

guide both government policy and scholarly analysis of contemporary history *The Modern Papacy, 1798-1995* Frank J. Coppa, 2016-07-01 This ambitious survey launches a major new five volume series It explores the response of the papacy one of the world's longest enduring institutions to the multiplying challenges of the modern age It runs from the French Revolution to the fall of the Soviet Union ending with the pontificate of John Paul II the first non Italian pope since 1522 Frank Coppa examines the impact of major events like the Napoleonic conquests Italian unification two World Wars and the Cold War he explores the attitudes of the papacy to such issues as liberalism nationalism fascism communism and the modern secular age he examines the growing concern of the popes for the Catholic world beyond its traditional European home and he tackles objectively and judiciously contentious topics like the silence of Pius XII Engrossingly readable the book offers a fresh and invigorating perspective on international relations across the past two centuries and on the political and ideological emergence of the modern world as well as its specifically papal concerns *The Russian Orthodox Church, 1917-1948* Daniela Kalkandjieva, 2014-11-20 This book tells the remarkable story of the decline and revival of the Russian Orthodox Church in the first half of the twentieth century and the astonishing U turn in the attitude of the Soviet Union's leaders towards the church In the years after 1917 the Bolsheviks' anti religious policies the loss of the former western territories of the Russian Empire and the Soviet Union's isolation from the rest of the world and the consequent separation of Russian emigrants from the church were disastrous for the church which declined very significantly in the 1920s and 1930s However when Poland was partitioned in 1939 between Nazi Germany and the Soviet Union Stalin allowed the Patriarch of Moscow Sergei jurisdiction over orthodox congregations in the conquered territories and went on later to encourage the church to promote patriotic activities as part of the resistance to the Nazi invasion He agreed a Concordat with the church in 1943 and continued to encourage the church especially its claims to jurisdiction over migrant Russian orthodox churches in the immediate postwar period Based on extensive original research the book puts forward a great deal of new information and overturns established thinking on many key points *Deconstructing and Reconstructing the Cold War* Shahin P. Malik, 2018-12-17 Published in 1999 These essays are not deconstructive in the postmodern sense None of the authors have that depth of scepticism about knowledge claims but they are all concerned that the terms of reference of Cold War enquiry have been inappropriately bounded The chapters by Murray and Reynolds specifically address the broad theoretical issues involved with paradigms and explanation The chapters by Dobson Marsh Malik Evans and Dix stretch out Cold War paradigms with successive case studies of Anglo American relations the USA Britain Iran and the oil majors the Gulf States and the Cold War South Africa and the Cold War and Indian neutralism All five authors challenge the efficacy of neo realist analysis and explanation and critique the way that assumptions derived from that position have been used in historical explanation The chapters by Ryall Rogers and Bideleux deal with Roman Catholicism in East Central Europe with nuclear matters and with the Soviet perspective Each work goes beyond the limits of Cold War paradigms Finally Ponting places the

Cold War in the broad context of world history These essays provide thought provoking scholarship which helps us both to nuance our understanding of the Cold War and to realise that it should not be taken as an all embracing paradigm for the explanation of postwar international relations The ^AStory of Jazz Marshall W. Stearns,1970-09-15 The effect of jazz upon American culture and the American character has been all pervasive This superlative history is the first and the most renowned systematic outline of the evolution of this unique American musical phenomenon Stearns begins with the joining of the African Negro s musical heritage with European forms and the birth of jazz in New Orleans then follows its course through the era of swing and bop to the beginnings of rock in the 50s vividly depicting the great innovators and covering such technical elements as the music s form and structure **Detente And Papal-communist Relations, 1962-1978** Dennis J. Dunn,2019-04-10 The Catholic Church and the various communist governments of Europe have been vitally involved in the process of detente moving from the silence of the Cold War to the stage of dialogue despite the persistence of religious persecution in the communist world In this detailed study of recent developments Professor Dunn discusses the motivating factors in papal communist relations and chronicles the major events in d tente policy in the Soviet Union and those countries of Eastern Europe Poland Hungary Czechoslovakia and Yugo slavia Where the Catholic Church is at least nominally the religion of 30% or more of the population **The Forsaken** Tim Tzouliadis,2008-07-17 Gripping and important an extremely impressive book Noel Malcolm Telegraph London A remarkable piece of forgotten history the never before told story of Americans lured to Soviet Russia by the promise of jobs and better lives only to meet tragic ends In 1934 a photograph was taken of a baseball team These two rows of young men look like any group of American ballplayers except perhaps for the Russian lettering on their jerseys The players have left their homeland and the Great Depression in search of a better life in Stalinist Russia but instead they will meet tragic and until now forgotten fates Within four years most of them will be arrested alongside untold numbers of other Americans Some will be executed Others will be sent to corrective labor camps where they will be worked to death This book is the story of lives the forsaken who died and those who survived Based on groundbreaking research The Forsaken is the story of Americans whose dreams were shattered and lives lost in Stalinist Russia **Spies in the Vatican** David J. Alvarez,2002 Ranging across two centuries of world history Alvarez s fascinating study throws open the Vatican s doors to reveal the startling but little known world of espionage in one of the most sacred places on earth

In the digital age, access to information has become easier than ever before. The ability to download The Catholic Church And The Soviet Government 19391949 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Catholic Church And The Soviet Government 19391949 has opened up a world of possibilities. Downloading The Catholic Church And The Soviet Government 19391949 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Catholic Church And The Soviet Government 19391949 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Catholic Church And The Soviet Government 19391949. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Catholic Church And The Soviet Government 19391949. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Catholic Church And The Soviet Government 19391949, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Catholic Church And The Soviet Government 19391949 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it

is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
