Exposition of the Book of Solomon's Song; Commonly Called Canticles ... John Gill (D.D., Baptist Minister, of Horsley-Down.),1854 **Angels and Spirits** Dr. John Thomas Wylie,2019-02-01 In this publication Angels and Spirits the scripture teaches that there is an order of intelligences higher than that of men and further asserts that these intelligences are connected with man in providence and in the redemptive economy These intelligences are called spirits to denote their specific role and nature they are called angels to denote their mission We will investigate their involvement with mankind and their tasks Nothing can be known of them other than that which is revealed in the scriptures They are created spirits but the time of their creation is not indicated Many biblical scholars hold that such a creation must have been included in the statement found in Genesis 1 1 and therefore preceding the six days formative period The highest exercise of angels is to

wait upon God Their chief duty is to minister to the heirs of salvation As we embark upon this reading my hope is that you will come to take seriously the informative topics presented to you We do not intend to dwell on Satan or his angels too much only as necessary but focus on the deeds and tasks of holy angels Reverend Dr John Thomas Wylie **Revelation 1-11**

(ITC) Peter J. Leithart, 2018-02-22 The Book of Revelation is the last book in the canon of the New Testament and its only apocalyptic document though there are short apocalyptic passages in various places in the gospels and the epistles This first of two volumes on Revelation offers systematic and thorough interpretation of the book of Revelation Revelation brings together the worlds of heaven earth and hell in a final confrontation between the forces of good and evil Its characters and images are both real and symbolic spiritual and material and it is frequently difficult to know the difference between them Revelation's cryptic nature has ensured that it would always be a source of controversy This commentary focuses on the theological content gleaned the best from both the classical and modern commentary traditions and showing the doctrinal development of Scriptural truths Scholarship on the book of Revelation has nonetheless not only endured but even captured the imagination of generations of Bible students both professionals and laypeople alike Through its focus on the message of the book through scholarly analysis this International Theological Commentary reconnects to the ecclesial tradition of biblical commentary as an effort in ressourcement though not slavish repetition **Magic and Ritual in the Ancient**
