Tarkas Jeddak of Thark Aside from seeing you which is my principal reason for being here and satisfying myself that I can transport inanimate things from Mars to Earth and therefore animate things if I so desire I have no purpose Earth is not for me My every interest is upon Barsoom my wife my children my work all are there I will spend a quiet evening with you and then back to the world I love even better than I love life As he spoke he dropped into the chair upon the opposite side of the chess table You spoke of children I said Have you more than Carthoris A daughter he replied only a little younger than Carthoris and barring one the fairest thing that ever breathed the thin air of dying Mars
