Robert Hans van Gulik,2024-05-15 The Chinese Bell Murders is a gong an historical mystery novel written by Robert van Gulik and set in Imperial China roughly speaking the Tang Dynasty It is a fiction based on the real character of Judge Dee Ti Jen chieh or Di Renjie a magistrate and statesman of the Tang court who lived roughly 630 700 This book was originally written by Robert van Gulik sometime between 1953 and 1956 Like its predecessor The Chinese Maze Murders it was intended for a Japanese or Chinese audience but he later chose to publish it in English As it happened all three editions came out at roughly the same time *The Transculturation of Judge Dee Stories* Yan WEI,2022-09-07 This book views the Dutch sinologist Robert van Gulik s Judge Dee mysteries as a hybrid East West form of detective fiction and uses the concept of transculturation to discuss their hybrid nature with respect to their sources production and influence The Judge Dee mysteries authored by Robert van Gulik 1910 1967 were the first detective stories to be set in ancient China These hybrid narratives combine Chinese historical figures traditional Chinese crime literature and Chinese history and material culture with ratiocinative methods and psychoanalytic themes familiar from Western detective fiction This new subject and detective image won a global readership and the book discusses the innovations that van Gulik s Judge Dee mysteries brought to both Chinese gong an literature and Western detective fiction Furthermore it introduces contemporary writers from different countries who specialize in writing detective fiction or gong an novels set in ancient China The book will meet the interest of fans of Judge

Dee stories throughout the world and will also appeal to both students and researchers of comparative literature Chinese literature and crime novels studies The Western Reinvention of Chinese Literature, 1910-2010 ,2022-07-04 During much of China's tumultuous 20th century May 4th and Maoist iconoclasts regarded their classical literary heritage as a burden to be dislodged in the quest for modernization This volume demonstrates how the traditions that had deeply impressed earlier generations of Western writers like Goethe and Voltaire did not lose their lustre to the contrary a fascination with these past riches sprouted with renewed vigour among Euro American poets novelists and other cultural figures after the fall of imperial China in 1911 From Petrograd to Paris and from S o Paolo to San Francisco China's premodern poetry theatre essays and fiction inspired numerous prominent writers and intellectuals The contributors survey the fruits of this engagement in multiple Western languages and nations **Sexual Life in Ancient China** R.H. van Gulik,2021-10-01 In 1961 Robert van Gulik published his pioneering overview of Sexual Life in Ancient China This edition of the work is preceded by an elaborate introduction by Paul Rakita Goldin assessing the value of Van Gulik's volume the subject itself and its author The introduction is followed by an extensive and up to date bibliography on the subject which guides the modern reader in the literature on the field which appeared after the publication of Van Gulik's volume One of the criticisms in 1961 regarded the Latin translations of passages deemed too explicit by Van Gulik In this 2002 edition all Latin has for the first time been translated into unambiguous English thus making the full text widely available to an academic audience
