publishing an Avertissement for the novel he released three editions each of them revised significantly The first novel Balzac published without a pseudonym he used many titles as he wrote and published including *Le Gars Les Chouans ou la Bretagne il y a trente ans* and *Le Dernier Chouan ou la Bretagne en 1800* Following closely in the footsteps of Sir Walter Scott the novel uses its truthful historical backdrop to tell a fictional story of people who sculpted the past The novel addresses themes of passionate love vengeful trickery and social status While it is disdained by critics in favor of Balzac's later work the novel marks a turning point in his life and artistry
